2024 'A Year in Images' Presentation

Our Beaumaris Secondary College community is devastated by the tragic passing of Holly Bowles, a cherished member of our amazing Foundation Class of 2023. Holly's kindness, warmth, and compassion left a lasting impression on everyone who knew her.

We extend our heartfelt condolences to Holly's family and friends, as well as to Bianca Jones' loved ones, during this incredibly difficult time. Our thoughts and love are with all those impacted by this tragedy. Holly will always remain part of the fabric of Beaumaris Secondary College.

As we approach the end of another amazing year at Beaumaris, it is important to pause and reflect on the connections and resilience that unite us as a community. Holly embodied the very best of 'The Beaumaris Way'—her kindness and compassion serve as a profound reminder of the values we hold dear.

With immense pride and appreciation, we thank every individual within our extraordinary school community for a year filled with growth, achievement, and unwavering support for one another.

To our remarkable educators and support staff, thank you for your tireless commitment to nurturing a love of learning and guiding our students toward excellence. Your passion is the cornerstone of the academic and personal successes we celebrate together.

To our students, you are the heartbeat of Beaumaris. Your curiosity, optimism, respect, and pursuit of excellence have filled the college with a sense of hope and purpose. We commend your hard work and look forward to seeing you reach even greater heights in the years to come.

A heartfelt thanks to our supportive parents and guardians. Your partnership and trust are invaluable as we guide and inspire your children. Thank you for sharing this journey with us and for the constant encouragement you provide.

Reflecting on the past year, we celebrate not only academic milestones but also the compassion, teamwork, and camaraderie that make our school unique. Together, we have created something very special.

As we bid farewell to the 2024 academic year, we will continue to honour Holly's memory by upholding the values she embodied and fostering the compassion, resilience, and connections that define our community. Thank you for another wonderful year of growth and accomplishment.

Wishing everyone a restful break, and we look forward with optimism to the journey ahead in the coming academic year.
