

Murrup community event
Wednesday 21st June 2023
Principal speech

I had a dream... that one day this school would rise up and live the true meaning of community spirit. And today represents this dream coming true.

But this dream could not have been possible without the diligent work of those before me... in Principalship, Leadership, School Council Membership and School community Partnership.

CSPS has deserved this upgrade for generations and I am honoured to stand before you merely the representative of the hard work and dedication before me.

Having said this, the last three years working with the VSBA, staff, students, community, architects, builders and contributors have been both tiresome and tireless.

But in spite of the difficulties and frustrations, including COVID challenges, we persevered with our dream.

On this incredibly beautiful day, I thank all the special guests that have taken the time to help us celebrate Murrup – spirit.

This new building and the beautiful surround symbolises the true spirit of Cranbourne South.

If you are the eldest (or only) child at CSPS, we wish to gift you with a special Murrup plant, so you can have a little of the Murrup spirit in your home.

CSPS has a rich history engrained in celebration and joy.

May Murrup remind us moving forward that the Cranbourne South Spirit will always live strong in our families, in our community, in our hearts and in our souls.

Monique Corcoran
