Around the Grounds

6A

The 6As faced Laurie's in the penultimate game of the season. After SLC beat Marist convincingly in the trial, this was an opportunity to see the improvement this team has made. SLC scored early and from then the game remained quite even before a second goal just before half time stopped any momentum Marist had. 2-0 down at half time the Marist boys had some chances in the second half but just couldn't convert. A third goal sealed the result before Rafael Marufu scored a consolation for Marist.

The boys stayed in the game all the way to the end putting pressure on the SLC goal but were just outclassed on the day.

6B

6Bs added to their winning streak on the weekend against St Laurence's College. After a loss to SLC in their trial game, the boys went in nervous, but determined to come away with a win, and it didn't take long for Abe Patricks to put us on the scoreboard. Our early goal set the mood for the game and the boys dug in, focused on adding to their goal count. A tough and physical opposition, the boys didn't back down, determined to gain possession, and as a result, majority of the game was played in our half. Isaac Walter, who had already played a half with the 6As, was unstoppable in both attack and defense, and is to be commended for his efforts in this game. Dillan Keane – our centre back – did well in chasing down the ball and bringing it back into our half. A beautiful strike on the ball from Tyler Baines saw us take out total goal count to 3. The boys all play their positions well and each member of the team can rely on each other which I think makes this such a great team. I look forward to our final game this weekend and I hope the boys continue to add to their winning streak.

6C

On a cold, early start to Saturday morning, the 6C team were looking to maintain their undefeated streak against another undefeated team – St Laurence's College. Playing on Astro turf for the first time this season, the boys took a bit of time getting used to the surface. After about 10-minutes, Marist scored their first goal through Gian Air, which enabled the boys to play more freely now that they had the lead. They then doubled their lead through an indirect free kick, where Matthew Davies expertly placed the ball into the back of the net. Up 2-0 at halftime, the message to the boys was to maintain the momentum and continue taking our opportunities when they come in front of the goal. This message was put into action as Preston Ryder followed-up on a fumble from the goalkeeper to extend the lead to 3-0. Towards the end of the match, Matthew Davies decided to take a shot from a long way out from goal, where Percy Hede was quick to collect the goalkeeper deflection and push the lead out to 4-0. Another great game for the 6C team and they will be hoping to continue their unbeaten run in their final match this coming weekend. Man of the match, for his display at both ends of the field (in attack and defence) goes to Gian Air.

6 Gold

A good all around game by the 6 Gold lads this week leading to a 3-1 win over a spirited Laurie's team. Charlie Spokes worked hard in goal in the first half and displayed some great field vision in the second half whilst playing up front, with excellent passes to his teammates. Ben Arcus-Simpson was strong in defence, his chase downs making life tough for the opposition strikers. And Cooper Lewis has found his home in the right back position with an outstanding game where his great tackling sent lots of ball down to our strikers. We only have one game left gentleman, let's make it a good one!

6 White

Facing a hard game against St Pats 6Ds with only 8 men and no subs, 6 White had a tough match. Displaying brilliant defence and attack throughout the larger pitch we were 1-0 up. Unfortunately, in the

last few minutes, it was just too much for the boys ending the game on a 2-1 loss. Player of the match: Cormac McKenna.

5A

A very competitive game with both teams scoring numerous goals after each other. Regardless of our boys starting a man down for the first 5 minutes they managed to stop a full-strength Laurie's team from scoring whilst creating their own chances. A credit to Laurie's who are a skilled and polished team, however the boys didn't give them the chance to control the game as we were first to every ball and tackle. Laurie's scored to put them up with a minute to go, their senior supporters and bench ran onto the field. We are 4-3 down. However, it only made our boys want it more. Finally, after many corners a ball was passed across goal going out, but just before the line Mitch Belyea came sliding in to score drawing us the game. A great result and team performance showing how far these boys have come to go from an 8-1 loss in trials to a 4-4 draw.

5B

Although the 5Bs lost 3-1, the boys played extremely well and showed their perseverance. The St Laurence's boys brought some strong competition, which was hard to beat. Nevertheless, I'm still super proud of the team for showing up and persisting throughout the game. Our loss will give us more determination to win next weekend.

5C

In an exciting match against Laurie's, Marist 5Cs battled to a thrilling 2-2 draw. The game was filled with intense moments and impressive displays of skill from both teams.

Laurie's took an early lead, scoring in the first half, but Marist 5Cs quickly responded. Max showcased his goal-scoring abilities, finding the back of the net in the 14th minute, levelling the score. The second half brought renewed energy, and Gun delivered a fantastic goal for Marist 5Cs just 12 minutes in, giving the team the lead. However, Laurie's fought back determinedly, equalizing the score just before full-time, resulting in a hard-fought 2-2 draw.

The match demonstrated the competitiveness and resilience of both teams. Marist 5Cs exhibited great teamwork with Man of the Match going to Oliver Scott for his strong defensive effort throughout the game.

5 Gold

5 Gold's enthusiasm on the field was much improved in last Saturday's match against St Laurence's despite the 13-1 loss. The boys continued to fight hard against a relentless opposition. Congratulations to our only goal scorer, Barney Armstrong, whose agility in attack has improved each week. Special congratulations are extended to all the boys in the team who have remained gracious in consistent defeats. Their sportsmanship on and off the field has been a credit to Marist and has been something that has not gone unnoticed. In preparation for our last game, the boys will be working hard at clearing the ball and strategic positioning on the field.

5 White

What a tough game last Saturday! Despite their amazing effort, 5 White lost 2-0 in what turned out to be a very close game. Franky Warokra was player of the match, showing excellent skills in a range of positions on the field. Michael Sorbello provided amazing defense with solid support from all team members, particularly Xavier Ross and James Channells. Well done boys on such a positive attitude towards the game.
