WHAT'S BEEN HAPPENING

Dear families,

This week, our children embarked on a creative learning adventure, producing fantastic paintings that showcased their imagination and creativity. We are delighted by the incredible art pieces they have created, each one reflecting their unique vision and artistic flair. Additionally, our indoor bowling sessions were a huge success, providing a wonderful opportunity for the children to develop their hand-eye coordination and teamwork skills. It was wonderful to see them working together, supporting each other, and enjoying this fun-filled activity.

Starting from the second week of Term 3, there will be a change in the transition process for Grade One students attending after school care. We will not be providing Grade One teachers with student lists from the second week of Term 3 until the end of Term 4. Therefore, please ensure you inform your children each morning if they will be attending after school care to facilitate a smooth transition.

The winter school vacation is fast approaching, and we hope all families and school staff enjoy a wonderful and restful break. If your children would like to join our Winter School Vacation Program, please remember to book their spots as soon as possible. If you have any questions or feedback, please don't hesitate to reach out to our team.

Warm regards,

Eric

Director of Team Kid Before and After School Care
