Re: Enrolment to Endeavour College for Year 7, 2029

Dear Parent / Caregiver of Year 4 Students

As you form part of the Connected Schools network, we are offering families with children in Year 4 the opportunity to receive priority entry into Endeavour College Year 7, 2029.

To ensure your child is included in the priority enrolment process, we ask that all initial applications are completed **before end of Semester 1, Friday 03 June 2026**. If you have not already done so, please apply using the following link [Enrolment Application Form](#). Please note Connected Schools as a school connection to ensure the application fee is waived.

With the inclusion of the new Junior School, please be assured that we have allocated places in our 2029 Year 7 cohort to the Connected Schools community, who will receive priority enrolment, pending the enrolment process as noted below.

There is an exciting opportunity to tour Endeavour College at our upcoming **Open Day on Sunday, 29 March**.

This Open Day invites you into the classroom to see firsthand how learning at Endeavour takes place, enabling you to explore our innovative facilities and hear from our Principal. It's also a chance to form a strong connection with us, one that will equip us to support your family with confidence, as you begin to move into secondary school.

We highly recommend touring our College as part of the enrolment process to help guide your decision to join our community. Please use the following link to via our College website to register your attendance [Open Day](#)

Please do not hesitate to contact the Enrolments Coordinator, Justine Buckley, on 8368 3311 or via enrolments@endeavour.sa.edu.au, should you have any queries regarding the enrolment process or transition of your child to secondary school.

Mr. Richard Baird
Principal
