Our child safe policies, strategies and practices are inclusive of the needs of all children and students. We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

Student empowerment

To support child safety and wellbeing at Roxburgh Homestead Primary School we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through social emotional learning, our whole school approach to Respectful Relationships, our School Wide Positive Behaviours matrix, our student Code of Conduct and our school values. Community Companions contribute to cross age relationship building.

We inform students of their rights through our whole school approach to Respectful Relationships and School Wide Positive Behaviours and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at <http://www.roxhomesteadps.vic.edu.au> or school reception.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.
