

# Family Fun Night

On Tuesday 26 February, Tarneit P-9 college hosted its annual Family Fun night, inviting all students, staff and their families to come along and socialise. We had a fantastic turnout and families joined in by competing in round-robin matches, getting to know our teaching staff, spectating, playing a sport or game, while also being able to enjoy the free sausage sizzle or veggie burgers supplied to all. Thankfully, it was a perfect night weather wise to enjoy some fun in the sun.

Here are some highlights, see if you can spot yourself! Looking forward to seeing you all at our next event.

*Teachers have a different side when competing against them in Basketball - who knew they could have fun - Jello 9A*

*It was great playing Netball against the teachers, even though we beat them - Natasha 8E.*

*First School event of the year... Successful.*

*Denise 9E  
School Captain.*
