

12th February, 2021

Dear Parents,

Mowing / Maintenance Roster

It is once again time to establish our Mowing/Maintenance Roster for the 2021 / early 2022 years to ensure that our school grounds and surrounds are maintained in a safe and presentable state.

Generally the roster attends to mowing, line trimming and edging but other maintenance tasks will be added from time to time.

Ideally we hope to form 12 teams of 10 parents which would mean that each team would be required twice a year dependent on numbers.

We will still have 2 major working bees (Autumn/Spring) for weeding/garden and grounds maintenance.

The Maintenance Levy is \$250 per family for 2021.

However, this levy is **FULLY REBATEABLE to families who nominate for **(and attend)** 2 of the Mowing Roster dates or who attend 2 x full major WORKING BEE dates.**

(Attendees must sign on and be signed off by the event supervisors).

If you choose to nominate for the Mowing Roster or choose to attend 2 Working Bees please DO NOT PAY the Maintenance Levy until late in fourth term.

Mowing/Maintenance Rosters can be scheduled for Saturday and Sunday mornings or afternoons. **We are an equal opportunity organisation. Men are just as welcome as women.** Instructions on using the equipment will be provided so lack of familiarity is no excuse.

Many hands make it an easier task for all and we would much prefer parents to be active in maintaining the school in preference to payment of a levy.

We need your generous help and support. Please consider making yourself available for this roster and fill in the return form (SEE OVER PAGE) and return it to the School Office.

I look forward to an enthusiastic response.

Regards,

Christine White
Principal.
