## WHAT'S BEEN HAPPENING

Dear families,

This past week, we celebrated Harmony Week with some amazing creations! The children showed their creativity and teamwork while making friendship bracelets, orange headbands, and superhero masks. It was wonderful to see their imagination shine through in their handmade crafts.

Friendship wasn't just in the crafts—it also extended to their learning! Many children supported each other, such as painting with Aboriginal art symbols, showing great collaboration and respect.

Looking ahead, we have another exciting week filled with hands-on activities. The children will get creative with door hanger designs and learn about plant care through a fun, interactive activity.

Reminder: Don't forget to book your child in for our upcoming School Holiday Program! Spaces fill up fast, so secure your spot soon.

See you next week!

Best regards,

Eric
