

# Maaraka Dabakarn Hands to Steady

Are you a parent with a child 7 years of age or under and are concerned about their development, or is pending an assessment?

We are holding a FREE therapy day where parents can:

- Meet a range of therapists, in a group setting, who will provide families with hands-on activities and resources they can use, and take-away, to support children
- Discuss your child's development with Allied Health Professionals
- Have an Ears2Learn ear screening
- Build peer networks to support each other

Families are welcome to attend and there will be activities for siblings in a supervised play area. Morning tea will be provided.
