

OSHClub News

Hi families! Welcome to the OSHClub newsletter. We have had a busy first half of term, with lots more still to come.

This week, we finished up our Extended Learning Activity - AFL. We welcomed Joanna from Collingwood AFLW for 4 weeks as she taught us some footy skills and played some exciting matches. The children all enjoyed themselves and we hope they can put their new skills to use on the footy field!

Every Friday at After School Care, we will be holding our Art Masterclass where we will learn about famous artists and their medium. We have clay sculpting, origami, and many more already planned! We can't wait to see what the children create!

Every Monday, Wednesday, and Friday's, 7:15am-8am, at Before School Care, we will be running Brekkie Bunch! Each day has a theme, and the children will make their own special breakfast! So far, we have enjoyed omelettes, cheese toasties, blueberry pancakes, French toast, and much more. Please ensure you arrive **BEFORE 8am** so your child has time to cook and eat their food.

As many of you will have seen, our **School Holiday Program** has been released. The program is also attached to this newsletter, so be sure to check it out and make your bookings ASAP to secure your place. We will be heading on two excursions - Bounce Heidelberg and OSHClub Viewbank for Coles Healthy Kicks. We will also be welcoming two incursions - Minibeast Wildlife and Kaboom Kid Sports. Watch this space for more information on what fun-filled activities we will do on the other days!

Stay well and have a fantastic weekend,

Fairfield OSHClub Team

The Brekkie Bunch

The Brekkie Bunch has themed breakfasts and cooking experiences guaranteed to start your kid's day right!

Kids will have fun with their friends, following recipes and developing cooking skills, while learning about nutritious breakfast options. And the best bit - they get to enjoy the fruits of their labour before they start their school day!

Come join the fun!

Milkshake & Smoothie Mondays

Wildcard Wednesday's

Pancake Friday's

Brekkie Bunch Safety

On joining The Brekkie Bunch, kids will receive a safety briefing. They will have a chance to work with electrical tools and appliances that get hot (such as the oven, stove top, or skillet), so it's important they understand what's required to stay safe!

Children are strictly supervised, and the level of cooking will depend on their age and experience. Only one child will be allowed in the kitchen at a time, and there is always a staff member allocated to running Brekkie Bunch.

Each Brekkie Bunch is catered to the specific dietary requirements we have in attendance that day. If your child has any dietary requirements, please ensure their Kidsoft profile is updated so they can join in!
