Dear Junior Player and Parent/Guardian,

In season 2018/2019 the College Cricket Club will be represented in the Hamilton District Junior Cricket Association (HDJCA) in the U/12, U/14, U/16 competitions as well as the A, C and D grade competitions in the Hamilton District Cricket Association (HDCA). We also will enter teams into the Hamilton District Women's Cricket Association (HDWCA) in their U/13, U/16 and senior competitions. We're set for another big season of cricket at College as we will also offer the ever popular 'Woolworths Junior Blasters' program previously known as the Milo In2Cricket which will commence later in the year.

In our club, all coaching staff, have a Working With Children check (WWC) or teaching equivalent and all coaches have, or are working towards attaining a minimum Level 1 Cricket Coaching Accreditation.

We welcome all parents/guardians to all trainings and games as we value your support. We are keen to involve parents in our club when and where we can. We would like to invite all U/12 boys, and U/13 girls only to a 'come and try' training session at The Hamilton and Alexandra College Sports Centre on Wednesday 19th September (Week 10) 3:45pm – 5:00pm. This will also present as an opportunity to meet the coaches, other parents, and members of the College Cricket Club.

On this date we hope to commence the payment of subs for the season. It is not yet known the exact amount for subs, although we are aiming to keep costs at under \$100 which is inclusive of a College Cricket Club shirt and peak hat.

We would be grateful if you could complete the attached junior membership and associated consent forms. For the safety of your child it is important that the club is informed of any medical condition or allergies that may be relevant should your child fall ill or be involved in an accident at the club.

We would love to welcome you and your family to the College Cricket Club, and season 2018/2019 more formally at a later date. To ensure we have the correct contact details for you, please fill out the membership form attached and return it to Stephen Mirtschin at the Junior Campus, or Leigh Alexander at the Senior Campus at your earliest convenience.
