

Aurora College

The virtual school for rural and remote students

Aurora College is NSW's virtual school, offering a mix of online and residential school classes for high potential and gifted students in rural and remote government schools.

The school provides innovative, flexible learning in a whole new context, by allowing students to connect locally and to learn globally. Students connect with their teachers and classmates in timetabled lessons using cutting-edge technologies in a virtual learning environment.

Aurora currently offers selective classes in English, mathematics and science to Year 7-10 students and also gives Year 11 and 12 students the opportunity to study subjects not available in their own school.

In 2021, Aurora College will have an Opportunity Class for Year 5 students enrolled in rural and remote government primary schools. Students will study the content of the Mathematics and Science and Technology syllabuses, with a focus on STEM.

IGNITING NEW WAYS OF LEARNING

Education
Public Schools

Application for entry into Year 5 in 2021:

Opens 9 June 2020

Closes 5pm 26 June 2020
