

Fiona Cowell

My eldest child started at Preshil in 2016, midway through Year 7. My other two children subsequently moved schools as well, and we were able to enjoy time at Arlington. Currently they are in Years 11, 10 and 7 at Blackhall Kalimna.

I joined the Council in 2018 to try and contribute to the remarkable school that Preshil is. Since then I have been part of the Strategy team and I have been involved as a school ambassador, regularly participating on school tours and at information mornings (pre-COVID), chatting with both prospective and new parents.

I love being part of the Council and come away from the meetings inspired and amazed by the incredible staff and leadership at the School.

When not at school or busy with the family, I work as an obstetrician gynaecologist.
