Explore an ECU campus and win big!

This year, one lucky Open Day visitor per campus has the chance to win a \$2000 voucher to help with study essentials. All you need is an Access All Areas card and a heap of curiosity!

Simply pick up your access card from a volunteer station then visit checkpoints across campus to discover our great facilities – and be in with a chance to win.

WAAPA APPLICATIONS

Applications for WAAPA are now **OPEN** and students can apply via our [ECU Applications Portal](#).

All applications need to be submitted by the end of September, however late applications may be accepted for some WAAPA courses after this time. We recommend students contact us about submitting a late application to confirm courses are still open for application.

We encourage students to apply sooner rather than later.

Please note Dance applications close at the end of August as auditions commence in mid-September.

Please note for Classical Music and Composition and Music Technology courses have an early closing date of the 1st September as auditions for these courses will be held in late September. However, we will still take applications after this date for these courses, as we will hold late auditions in November.

Applications Fee

The application fee is \$75 per discipline.

Please note ATAR students who are interested in studying either a Bachelor of Music, Bachelor of Performing Arts (Performance Making), Bachelor of Arts (Arts Management) or Bachelor of Education (Secondary), specialising in Music Education, will need to [apply via TISC](#) AND [apply directly to us](#).

Audition Information

All audition/interview/folio information including audition dates can be found here:

<http://www.waapa.ecu.edu.au/courses-and-admissions/how-to-get-into-waapa/interviews-auditions-and-folios>

WAAPA EXPLORE SHORT COURSES

WAAPA Explore short courses and audition masterclass workshops are running for aspiring acting, dance, music and music theatre students. The fantastic and **free** ACE your WACE for music students is also running in August.

Please see [here](#) for the list of available courses, including the summer school holiday program. Please do not hesitate to email explorewaapa@ecu.edu.au for further information or call 9370 6596

ECU'S ELITE ATHLETE PROGRAM

ECU encourages students to strive for personal excellence in all aspects of their life. The University recognises and promotes the value of combining both sporting and academic aspirations. This is why ECU is a member of the Elite Athlete Friendly University (EAFU) network. As an Elite Athlete Friendly University, ECU has an agreement with the Australian Sports Commission to support elite athletes in achieving and balancing both their academic and sporting pursuits.

ECU recognises that training and/or competition for an elite student-athlete may affect their academic performance during year 12. Elite athletes intending to apply for study at ECU are encouraged to submit a letter for special consideration to the Director of Student Services. Athletes may be granted concession on this basis.

Further information on what ECU offer and who is defined as an 'elite athlete' is available in this link <http://intranet.ecu.edu.au/student/campus-life/sports/elite-athletes>

COURSE UPDATES

ECU's School of Business and Law have released a new course: [Bachelor of Science \(Exercise and Sports Science\)/Bachelor of Commerce \(Sport Business\)](#) which is commencing Semester 1, 2019.

Employment opportunities

Potential career opportunities exist for managers within a range of global sport organisations and businesses, including the diverse areas of professional sport organisations, national and state sport associations, high performance sports clinics, health and wellness case management, private exercise, fitness, sport and rehabilitation franchise operations, personal training businesses, and elite and high performance sport organisations.

Students are required to complete three practicum placements through the duration of their course, totally 215 hours.

ECU's School of Nursing and Midwifery have changed the indicative ATAR for the [Bachelor of Science \(Nursing\)/Bachelor of Science \(Midwifery\)](#) from 80 to 75 for the 2019 admissions intake. Along with the ATAR change a new Special Admissions Requirement has now be added which is ***"All applicants are required to provide a personal statement. This statement must outline their understanding of the Registered Nurse's role and of a Registered Midwife's role, their reasons for wishing to undertake this course, and an outline of their plan for managing the workload"***. Students can upload their personal statement to their online application.
