INCAS AND AZTECS

Park Orchards Primary School

In this unit, learn about meteorites and the Aztecs. What precious metals and colours were used in their art and craft? Who was Montezuma? What was the culture of the Aztec rulers and their people? Where is Mesoamerica? What wars were fought? How important was water and climate? Who were the gods and what were the Aztec myths? Construct the crafts, using the styles and colours of their art. Play the games, learn the language, mathematics and astronomy from an earlier age. Discover what happened to talented children.
