

WELCOME

If you're new, we hope you'll enjoy your time of youth group and youth ministry here.

WHAT TO EXPECT

Ages are divided (U13s) & (13+, usually grade 8's and above).

Each week we run set programmes of activity, games, sports, music etc, and engaged study and discussion, mostly with the older group.

There's even opportunity to receive professional barista training and bring musical instruments and simply jam.

Everyone cooks and shares a meal, which works well and brings everyone together.

You can expect;

- A structured and fun programme operating a 4 weekly cycle
- A Christian emphasis - this is a Christian Youth Group, but you don't need to join in everything
- To have fun - everyone's had a long week, so burn off steam, learn different things, be involved in overseas charity mission projects, or hang out and chill with friends.

ABOUT US

St. Stephen's and Trinity Uniting Church started this group together in April 2018 with five children. Numbers have grown, we are blessed with extra support, and ages are divided.

PARENTS/GUARDIANS - WHAT YOU NEED TO KNOW

The group is open to all, regardless of faith. However, we are a Christian group and this is reflected in our conversations and sessions. All staff are 'Working With Children' checked.

- Friday's 6-8pm (Term-times)
- \$3 per child or \$5 for family
- Sometimes we go off-site for games/walks etc (please notify us of any issues)
- A meal is included. Please tell us of any food intolerances
- Please tell us of any general first aid issues we need to be aware of).
