

Issue No. 4

Friday 4 April 2025

Welcome to this edition of the Careers Newsletter. There is a lot of great information on upcoming events at tertiary institutions and other organisations for the coming holiday period. It's worth taking a look and registering for some of these events.

Parents of Year 10 students – please take notice of some important dates for Term 2. In particular, a reminder that Work Experience week is coming up at the end of the term and students will need to finalise their placements now. Please let me know if I can assist your students in finding a placement. I am available all week and am more than happy to assist students and parents. I can be contacted via email on [helen.madden@pvcc.vic.edu.au](mailto:helen.madden@pvcc.vic.edu.au) to make an appointment.

Don't forget also to check out our PVCC Careers website for important information for students and parents. You can find our site at: <https://careers.pvcc.vic.edu.au>

### **Residential Colleges Open House**

*Are you looking to attend the University of Melbourne and thinking about Residential Colleges? Then we want to meet you!*

The University of Melbourne has ten Residential Colleges, and they are holding an **Open House** event of tours in May. Attendees can hear from current students, meet the academic and pastoral care staff, learn more about residential scholarship programs and discover the best of residential college clubs, societies, events, and leadership opportunities.

Lunch and refreshments will be served across the Colleges on the day. There will be tours on a rolling basis departing at regular times from 12.00pm until 3.30pm, and there are also two Uni Melb Course and Admissions Overview Information Sessions at 12noon and 3.30pm.

**Date:** Saturday 17 May 2025

**Time:** 12.00pm – 3.30pm

Registrations are open at [Open House 2025 - Colleges University of Melbourne](#).

## **Studying the Bachelor of Engineering (Honours) at RMIT**

The Bachelor of Engineering (Honours) degree allows students the opportunity to explore the fundamentals of engineering — science, mathematics, design, and more — **before** selecting a specialisation.

Students gain a wealth of engineering skills and knowledge, and through their elective subjects are exposed to a range of specialisations.

After their first year of study, students will be able to choose which branch of engineering to explore in more depth, including:

- aerospace engineering
- biomedical engineering
- chemical engineering
- civil and infrastructure engineering
- electrical engineering
- electronic and computer systems engineering
- environmental engineering
- mechanical engineering
- advanced manufacturing and mechatronics engineering
- mechatronics engineering.

RMIT is ranked among the top ten universities in Australia for engineering.

The VCE prerequisites for entry are Units 3 and 4 with a study score of at least 27 in English (EAL) or at least 25 in English other than EAL, and Units 3 and 4 with a study score of at least 20 in one of General Mathematics, Maths: Mathematical Methods or Maths: Specialist Mathematics. This course has a guaranteed ATAR of 75.00.

Further information can be found at [Bachelor of Engineering \(Honours\).](#)

### **AgCAREERSTART GAP Program**

*If you're 17-25, this unique gap-year program provides you with a paid job, training and development, not to mention the opportunity to build your networks within the agriculture industry.*

**AgCAREERSTART** is a 10-12 month gap year program for young people aged between 17 and 25. Participants have the opportunity to preference industry and location, as well as have access to a \$4,500 training & engagement bursary. So, applicants can indicate which farm type they would prefer from a wide variety, and also where in Australia they would ideally like to go. A matching process is undertaken to ensure participants are assigned to the type of farms that match their interests and skills. Successful applicants work closely with skilled host farmers and connect with other like-minded youth.

**For a different but exciting GAP year experience, browse [AgCAREERSTART GAP Program](#) to find out more.**

## **Volunteering for Teens**

*Projects Abroad has spent over 30 years helping our participants fulfill their potential and make the world a better place.*

In addition to the [Medical Internships in Nepal](#), Projects Abroad also run a wider range of options in service and internships in *construction*, [Conservation in Thailand](#) and [Human Rights Volunteering in Ghana or Argentina](#) among others.

**Students are encouraged to browse the above links, or browse [Volunteer Overseas through Projects Abroad](#).**

## **Simpson Barracks Open Day 2025**

*Join us at Simpson Barracks for a day filled with interesting and engaging military displays and demonstrations. Explore the displays, interact with soldiers, and learn about their daily lives. Witness thrilling demonstrations and enjoy this fantastic opportunity to experience military life up close and personal. Don't miss out on this unforgettable event!*

This event is being developed to showcase the variety of careers with Army and Defence, and students in Years 10 – 12 (along with their parents) are encouraged to attend. The Royal Australian Army Corps of Signals Museum and Royal Australian Army Pay Corps Museum are located at Simpson Barracks.

**Date:** Sunday 18 May 2025

**Time:** 10:00am – 4:00pm

**Location:** Simpson Barracks, 200 Greensborough Road in Macleod VIC 3085  
Access is via [Blamey Road](#) off Greensborough Highway, Macleod - with **no** parking on site available.

**Note:** A courtesy shuttle buses will be the primary mode of access and will be available to and from Watsonia Train Station.

### **Conditions of Entry:**

1. Ticket and identification (school ID accepted for U18) must be presented upon entry to Simpson Barracks for the selected time.
2. Individual Entry Tickets are required to be ordered for all attendees over the age of 2 years old.

## Commerce Degrees in Victoria in 2025

Students will note that in many cases the majors offered in commerce degrees are similar to those offered in business degrees. Often a particular difference between a business degree and a commerce degree is the VCE maths prerequisite entry requirement, where Maths Methods is the preferred maths, and not necessarily the majors on offer. **For a comprehensive list of all courses, their majors and double degrees on offer, visit [VTAC](#).**

University of Wollongong

### **Bachelor of Pre-Medicine, Science and Health**

*Whether you're aiming to pursue **veterinary studies, optometry, medicine or physiotherapy**, the Bachelor of Pre-Medicine, Science and Health provides a solid foundation on which to build your dream career.*

Depending on which major/minor a student chooses, this course also leads to a wide range of postgraduate study or professional career options in the physical and life sciences, allied health or health informatics.

This three-year degree explores core content for medical school entry including academic literacy, critical thinking skills and an understanding of what it takes to be a successful health practitioner.

Any student (Domestic or International) in the Bachelor of Pre-Medicine, Science and Health, with a weighted GPA of 6.5 or above, who has met the minimal entry requirements for all other criteria, and selected the University of Wollongong (UOW) as the first preference will be guaranteed an interview for the UOW Doctor of Medicine (MD). Applicants need an indicative ATAR of 90.00 and have studied mathematics and any two units of a science – chemistry and biology are recommended. Students must apply through [www.uac.edu.au](http://www.uac.edu.au) and the UAC course code is 757500.

**Find out more about eligibility for the Bachelor of Pre-Medicine, Science and Health at [Bachelor of Pre-Medicine, Science & Health - University of Wollongong – UOW](#).**

Note: The University of Wollongong will be hosting a couple of webinars over the coming months on the admission process into the [UOW Doctor of Medicine](#) and students

considering graduate medicine might like to register for one of the webinars to find out more.

**Date:** Monday 14 April OR Monday 19 May 2025

**Time:** 6.00[m – 8.00pm AEST

### **Trainee Carer Program**

*Are you interested in starting a career in aged care? The Bupa Trainee Carer Program is a fantastic way to earn while you learn.*

Bupa offers a **Carer Traineeship Program** assisting young people in making an important difference to its residents and to their quality of life. This exciting 12-month program includes undertaking a ***Certificate III in Individual Support (Ageing)*** while gaining on-the-job experience and employment in a rapidly growing industry.

Carers are encouraged to put the residents, their needs and their feelings at the heart of how they deliver care. In the care homes, it is this person-first focus that encourages real relationships with residents that makes it easier to provide better care.

To find out more or to apply, visit [Bupa Trainee Carer Program](#).

MONASH University

### **Bachelor of Actuarial Science/Master of Actuarial Studies**

*Monash offers a four-year, integrated vertical double-degree allowing students to fast-track registration in this growth industry.*

The [Bachelor of Actuarial Science and Master of Actuarial Studies](#) allows students to complete the Foundation Program and the university component of the Actuary Program which is designed to get the maximum number of exemptions within the shortest time.

Students cannot practice as an Actuary without meeting the registration requirements of the Actuaries Institute - [Becoming an Actuary | Actuaries Institute](#). Another useful link to browse is [SEEK - Actuary](#).

### **Guaranteed ATARs for 2026 Entry**

*The Deakin Guaranteed ATAR provides access for more students, so you can secure a place in the course you want.*

Deakin is providing lower upfront guaranteed ATARs for eligible students from under-

represented cohorts at Deakin. So, this may mean students who:

- attend an under-represented school – see list [here](#) **OR**
- live or study in a regional or remote home or school location **OR**
- are of Indigenous Australian descent

This provides students with more certainty, reduces stress and gives them the best chance to get into the course they really want. Applications will be made through VTAC later in the year. Browse [Find your future - Deakin University](#).
