

Hi,

My name is Jayde and I graduated from Marlborough Primary School back in 2012. I am a third year Bachelor of Nursing and Midwifery student at Deakin University. For my degree, I am required to follow multiple women throughout their pregnancies, having to attend at least:

- 4 antenatal appointments
- Labor and birth
- 2 postnatal appointments

I am very much enjoying supporting women as a student throughout this time.

If you (or anyone you may know) may be interested in allowing me to follow them throughout their pregnancy, please take a flyer.

If you have any questions you can contact me via email (jstraathof@deakin.edu.au) or mobile (0467156425).

Thank you,

Jayde
