

## It's good to be, in Term 3!

Dear St Augustine's community,

Welcome back to school. We are really excited for another wonderful term at OSH Club's *Rise then Shine* and *Stay and Play*.

Firstly, congratulations to the Class Captains for Semester 2. We noticed many OSH Club students up there. We know they are going to do a wonderful job in the classroom, as we see them help and support one another here too.

In Week 3 we are starting our Incursion (Extra Curricular Activity) of *Science!* That means at no extra cost, your children will have the opportunity to experience STEM at OSH Club. See details on Page 2.

We are working on our Possum Story written by Oscar, called "The Lost Possum". The children are filming the scenes now with our new Possum Costume! We have also reached out to Melbourne Zoo to hopefully have a conversation with them and answer some of the students questions.

Poppy and Laura

## WELCOME CHLOE
