

Hi!

Thank you so much for participating in the ByBoet Superhero Day 2021!

All funds raised are so highly appreciated and we can't thank you enough.

How can my school/day-care/employer transfer the funds to ByBoet Incorporated?

There are two ways to transfer the funds to ByBoet incorporated:

1. Go to www.byboet.org/donate, where there is a PayPal payment option
2. By deposit or transfer into ByBoet Incorporated bank account:

ByBoet Incorporated

BSB: 013915

Account number: 324211584

Our cause this year

All funds that you have raised for ByBoet will go towards research, together with Murdoch Children's Research Institute (MCRI). This research aims to better understand lung function straight after birth. The results will help to develop better and more personalised resuscitation methods and care for premature and sick-born babies.

Thank you so much for your contribution! We will never forget all the support we are receiving.
