

THE LAST PEGASUS ON EARTH

Blaine's Original Idea

One stormy night, Max went outside and went for a hike. He climbed up several mountains and was getting tired. He reached the summit of the mountain, he was above the clouds he felt like he ruled everyone, but that's when he saw a Pegasus roaming around in the sky. He was amazed they were still alive. He did research about myths and legends at school yesterday, the article he read claimed that no one on earth has seen one before.

He sat on a rock until the Pegasus came approaching him rapidly. The Pegasus was flying at Max at unknown speeds and he was amazed! Dazzled! The Pegasus came up to him and offered Max a ride. Of course, he took the offer.

Next thing you know he was flying through the cotton clouds leaving cloud trails behind them! He was so excited to see where the Pegasus was bringing him! The Pegasus stopped and put Max down. He was in some sort of lair.

Max saw a portal while trying to figure out where to go and exploring the lair. It looked like some sort of mansion with decked out kitchens flooring and even the bedrooms. They were all really fancy!

Max was looking around until he tripped and fell into the portal...

The Pegasus came into the portal too, Max had entered Heaven, where all the mythical creatures lie.

Leviathans, Hydra's, Angels and even Pegasus's! Max is so amazed and shocked he looked around seeing everything living in harmony until...

The Hellish Demons opened a portal and came raiding the Heaven killing many innocent angels and other Mythical Creatures!

The King, ARCHANGEL, GRABBED HIS SPEAR KILLING 10 DEMONS AT ONCE SLASHING THE DEMONS MAKING THE KING OF HELL MAD!!

The KING OF HELL, HELLISH DEVIL, COMING OUT OF HIS PORTAL WITH HIS SCYTHER CALLED THE HALLOW SCYTHER HE SUMMONED HIS GOBLINS ATTACKING THE CITY OF ANGEL!

DEMONS, ANGELS ARE AT WAR!!! MAX RAN BACK THROUGH THE PORTAL.

Safe at last, but the Pegasus was fighting to save their world. The Pegasus was fighting until it was over.

The Pegasus came back through the portal with the Hallow Scythe and a strange looking Chalice. The Chalice looked like it could summon something.

The Pegasus gave Max the Chalice and the Hallow Scythe.

Max went back down the mountains and headed back home.

But he didn't know the harm the Chalice could do to this world...
