Catholic Primary School, East Coburg

BIKE EDUCATION INCURSION Term 3, 2024

Dear Parents/Guardians,

All children from Foundation to Year 6 at St Bernard's will be taking part in a bike education session run by AusBike. This will take place on the school premises on **Friday 16th August**.

Each child will participate in a 1 hour session run by qualified instructors which will include some essential bike riding skills, road safety smarts and some bike maintenance tips to make sure bikes are safe to ride.

We encourage your child to use their own bike and helmet on the day. However, where this is not possible AusBike can provide suitable equipment. Please see the bottom of this note and select the appropriate option. Each grade will have a designated area in which to park their bikes on the day. Further information around this will be provided closer to the day.

Please do not hesitate to contact me if you have any questions regarding the day.

Regards,

Nick Flavel
Grade 5/6 Teacher

Please return this permission slip by Monday 12th August and inform us whether your child has a bike and helmet that they can bring to school on the day.
