Dear Ms Angelides,

**INVITATION FOR YOUR STUDENTS TO PARTICIPATE IN THE 2026 GOLDSTEIN CHRISTMAS & HANUKKAH CARD DESIGN COMPETITION**

I write to invite your school's participation in the Goldstein Christmas & Hanukkah Card Design Competition.

Christmas is a beloved tradition in our community, and Goldstein is also home to the third largest Jewish community in Australia. It is therefore appropriate that we recognise both Christmas and Hanukkah during our festive celebrations. Each year, the Goldstein Electorate Office sends 65,000 joint Christmas and Hanukkah cards to households across Bayside, Glen Eira and Kingston.

It is a tradition of our community to use this card as an opportunity to celebrate young local artists. The competition gives local primary school students the opportunity to design the cover of the card and have their artwork celebrated by their school, neighbours and wider community. Students are invited to submit entries using our template, drawing an image meaningful to them on the theme of this year: *Christmas/Hanukkah In My Neighbourhood*.

From the entries received, finalists will be selected. Two winners will be chosen, one for Christmas and one for Hanukkah. The winners will have their artwork appear on each side of the card's external covers, with additional *honourable mentions* to feature inside the card. Judging will be conducted by a local panel of artists and myself. Winners will each receive a book prize, and finalists will receive certificates at a morning tea for finalists, family members and friends, as well as teachers.

I encourage you to visit my website for more information, and to download the artwork template: [www.timwilsonmp.com.au/cardcomp](http://www.timwilsonmp.com.au/cardcomp). To allow for judging and printing, entries must be received by 30 October 2026.

If you have any questions, please contact the Goldstein Electorate Office on (03) 9557 4644 or [tim.wilson.mp@aph.gov.au](mailto:tim.wilson.mp@aph.gov.au)

Yours sincerely,
