PROJECT COMPASSION:

Lam, a young man from rural Vietnam disability made his upbringing difficult. Through the I-SHINE program, supported by Caritas Australia's partner in Vietnam, Catholic relief Services, Lam was able to pursue his dreams and become more independent. He enrolled in a 6 month IT Technician training course in Da Nang that not only equipped him with professional skills but also rekindled his social connections and confidence. Today he is a successful graphic designer, serving clients locally and internationally and earning a stable income.

PLEASE GIVE GENEROUSLY TO CARITAS
