

# In the Know with Careers

27 February 2023

## University - Institutes

### **Applications open for 2023 to 2024 domestic undergraduate admissions**

5 April

Applications open at 9am for:

- Domestic undergraduate applications for admission
- Schools Recommendation Scheme
- Educational Access Scheme
- Equity Scholarships

Year 12 students will receive their UAC pin to the email address that they have registered in Students Online. They will need the UAC pin to log into UAC and make their university course preferences. Please note that most courses will not yet be available for you to select in UAC at this time.

## **Register for ANU Open Day**

18 March

We can't wait to welcome you to The Australian National University (ANU) for Open Day 2023 on Saturday, 18 March 2023. Experience our vibrant campus and tour our world-class facilities. Plus, you'll get the opportunity to meet our students and renowned academics, explore our degree programs and attend information sessions.

<https://openday.anu.edu.au/>

## **ACU entry and pathways for Year 12 students webinar**

23 May

ACU has a range of pathways and entry programs available to Year 12 students. In this webinar, our Future Students team will explain our various options and the eligibility criteria for each one, and you'll hear from current students about their journeys.

<https://www.acu.edu.au/about-acu/events/2023/may/acu-entry-and-pathways-for-year-12-students-webinar>

## **Charles Sturt 2023 Medicine Information Night**

29 March

Come to our online medicine information night and discover everything you need to know about our five-year undergraduate entry degree – the Doctor of Medicine. Based at our Orange campus in regional NSW for two years followed by three years of rural and regional placements, the Joint Program in Medicine is offered by Charles Sturt in partnership with Western Sydney University. Whether you're in high school, looking for a career change or keen to take the next step in your health career – this information night is for you! Parents, carers and career advisers are also welcome. We'll start with an overview of the course and our facilities, entry requirements, key dates and how to apply. We'll tell you about clinical placements, career opportunities, support services, scholarships and more. You'll learn all about the University Clinical Aptitude Test for Australia and New Zealand (UCAT ANZ) and hear about the experiences of rural and regional doctors. Get to know our School of Rural Medicine team, have all your questions answered and hear from our current students about their experiences studying medicine.

## **TAFE**

### **Rheem Australia Applications for Rheem Apprentice Plumber Grants Open TODAY!**

Closes 21 April

The Rheem Apprentice Plumber Grants are back, with \$30,000 worth of grants once again up for grabs! Applications are open now, and close 11:59pm, Friday 21 April, so make sure you mark it in your calendar!

There are ten grants available to apprentice plumbers and gas fitters across the country, each worth \$3,000. Each grant includes \$2,000 to go towards TAFE/RTO fees and textbooks, and a \$1,000 tool voucher, plus a tote tool bag. To be eligible, you must be an apprentice plumber or gas fitter in Australia, either current or starting in 2023.

### **Australian Apprenticeship Pathways Industry Information**

Investigate in detail a wide range of career fields on offer for apprenticeships and traineeships.

<https://www.aapathways.com.au/career-research/industry-information>

## **Private Colleges**

### **NIDA School Holiday Classes 2023**

Open your creativity with NIDA's holiday classes. Designed specifically for children and young people, NIDA offers a fun and supportive learning environment that unlocks creative potential and builds confidence.

<https://www.open.nida.edu.au/courses/who/young+people/grades+7-10?tag=/who/young+people/grades+11-12&tag=/how/school+holidays>

## **Australian Theatre for Young People Holiday Classes**

Early Bird Prices end 28 March

Workshops start from 11 April

ATYP creates school holiday drama workshops aimed to encourage and engage young people from Kindergarten to Year 12. Kids will make new friends, learn about performing, gain confidence and most importantly have a ton of fun in a safe and inspiring environment. Our acting classes can include character development, self-devised work, comedy, drama, movement, audition intensives, voice and accents and much more. The program can also cover short film making, online presentation for digital platforms, storytelling technique, stagecraft and for our littlest participants amazing imagination stretching.

## **Sydney Design School Interior Decoration Workshop**

19 & 20 April

Be inspired. Be creative. If you love interiors magazines and beautifully styled spaces, this fun two-day workshop is for you. It's perfect for any interiors enthusiast who wants to decorate their home with skill and confidence. Perhaps you're considering a career in interiors? This beginner's workshop will give you a taste of the Certificate IV in Interior Decoration course and you'll get a feel for our School and the passion of our Educators. Get hands on in our studios as you learn how to put together a full interior decoration scheme for a living space in your own home. Plan the layout, select furniture and lighting, explore colour schemes and create a sample board of your ideas. This course is held four times a year in the school holidays in January, April, July and September/October. You can also study online with our partner Interior Design Online here.

## **Create For A Day at SAE**

15 April

SAE Institute is opening its doors this April for a one-day program, designed to expand your skills and get you working on inspiring creative projects in the fields of Animation, Audio, Design, Film, Games, Music Production, or Songwriting. Don't miss out on your chance to experience life as an SAE student and discover what it means to be a creative professional, in state-of-the-art facilities with industry experts by your side. During the workshop, attendees will learn valuable practical and collaborative skills to build a creative piece of work! They will also receive a certificate of participation to acknowledge the creative project they have undertaken. Due to the level of workshop content, this event is open to school students aged 15 years and above (Year 10 and over).
