Greater Shepparton S. C. Netball Club 2020 Season

We have a new committee who can be contacted at gsscnetballclub@gmail.com. We do however need more volunteers for the 2020 netball season like coaches, team managers and general helpers.

Help: All players are required to supply a helper at some point in the 2020 season. Club jobs involve canteen duty, clean up duty, scoring and fruit duty.

Codes and Behaviour: Every player and parent must read and sign these forms.

Teams: A coach and team manager are required for every team. These jobs are assigned to parents. There is a new program fresh out in 2020 to assist with coaching techniques.

Club Communication: GSSC Netball Club information can be found on Facebook as well as Team App. These are closed groups so you must request to join them.
