

# THE MOSSMAN & DISTRICT SHOW SOCIETY

## 2025 YOUNG RURAL AMBASSADOR QUEST

TAKING  
APPLICATIONS  
NOW

Our quest is to find enthusiastic community minded young people aged 15 years to 19 years to represent the Mossman & District Show Society and become involved in our local Agricultural show and our community. The quest is open to all young people who reside in the Douglas Shire. We have introduced this role in the hope of encouraging the youth of our community to become more involved within the Mossman & District Show, the Agricultural Show movement and to create a pathway to the Queensland Rural Ambassador Awards.
