Dear Parents and Guardians,

RE: An Invitation for Your Child to Serve as an Altar Server

We warmly invite your child to consider joining our **Altar Server Ministry**.

Altar serving offers young people the opportunity to serve the parish and school community while growing in faith, responsibility, confidence and teamwork.

The ministry is supported and supervised by a dedicated core team who ensure a welcoming, well-organised and nurturing environment for all servers.

Parents, if your child is baptised and has received their First Holy Communion, we encourage you to invite your child to serve, helping them grow in faith while contributing meaningfully to parish life.

Our first training session will be held on **Friday 21st August from 2.30–3.00 pm in St Luke's Church**, led by **Chris Lim, Joanne Nolan and Nina Grieve**. Parents are most welcome to attend. Chris and Jo will also be available after the training to answer any questions.

Please return the slip below to school. For further information, please contact the parish.

Yours in Christ,

Fr Alex Chow
Parish Priest
