Letter to Year 12 Students

'Take this time to reboot, create a new habit, enhance your productivity or increase your capacity. Focus on what you can do in this moment'.

Glen Gerreyn from the Hopeful Institute has written a fantastic letter to Year 12 students, encouraging them to develop their 'inner game' whilst they are in isolation.

He encourages students to:

- Develop personal leadership
- Build your inner muscle
- Choose courage

Message for Year 12 students from VTAC

The Victorian Tertiary Admissions Centre (VTAC) is responsible for:

- Calculating the ATAR for Victorian students
- Processing applications for Victorian undergraduate university and TAFE courses.

The staff at VTAC have released a statement for Year 12 students on their Facebook account outlining how they are working to support students, families, and schools during this unprecedented time.

You can access the statement at <https://bit.ly/3dW2QkE>

Complete a free online career planning and job seeker program

The team at My Career Match have developed a free program for high school students that is broken into five key categories:

- Career planning
- Promoting yourself
- Getting a job
- Personal development
- Wellness

You can choose which categories and lessons you would like to work through. To get started, visit <http://bit.ly/2VXfBow>

Passionate about Filmmaking?

The Mocktail Film Awards submission deadline has been extended!

Calling all High School film makers

As part of their annual Martini Film Festival & Awards, JMC Academy hosts the High School Mocktail Film Awards. To enter, you will need to submit a short film (e.g., film, documentary, animation, television commercial, film clip) by 10 May 2020. To find out more and to submit your film, go to <https://bit.ly/3b8u2eN>

Inspo from Careers With STEM

Maths + COVID

So how exactly does social distancing help to flatten the curve? A mathematician explains the numbers behind exponential growth and why we should be staying at home, <https://bit.ly/346WDy0>

Quiz – what's your e-learning style?

Struggling to find your eLearning groove? Keen to increase productivity? During times of extended at-home study it's important to find a system that works best for you. Suss your signature style, <https://bit.ly/2UHKCfi>

Updates from La Trobe University

Speak to a course adviser

Book a one-to-one appointment via phone or online Zoom session. Or contact a course adviser via email or Live Chat, <https://bit.ly/348924A>

Learn about undergraduate courses available for the 2021 intake

Download the 2021 undergraduate course guide at <https://bit.ly/2UZI3Jk>

Get inspired by participating in an online webinar

Attend a webinar for the chance to win a \$1000 tech pack. The following online webinars are being run in April:

Tuesday 7 April: Studying at La Trobe

Find out what studying at La Trobe is like – our team will talk you through La Trobe and the unique opportunities you'll have within your studies and beyond.

Wednesday 8 April: Build your study skills

La Trobe's Peer Learning Advisors share their best study tips.

Thursday 9 April: Aspire Early Admissions Program

Hear from our Aspire Coordinator about how La Trobe rewards your involvement in community, leadership and volunteering with an early conditional offer into your chosen course at La Trobe.

Wednesday 15 April: Meet our health students

If you enjoy helping others, a career in the health industry is calling your name. Join our health students and discover the variety of jobs in health, what different courses are really like and how they balance study with their life at La Trobe.

Thursday 16 April: Meet our health students

Did you know most of our Law students complete a double degree? Hear from our current Law students about why they chose a double degree and what they love about studying at La Trobe.
