Street Store News

The Street Store is in full swing, running until Saturday 18th. It has **fantastic** to see a number of new faces put their hands up to volunteer some of their time to help us throughout this week. It is encouraging to know there are people who are interested in keeping the P&C functioning into the future.

We thank the families who have been able to contribute items to sell and donations to the raffle. All these contributions are most appreciated and will definitely help us in funding opportunities and resources for all our students.

We can still take donations of home baking for the remainder of the week. Please ensure baked goods are **packaged, sealed** and **labelled** with what the product is (and preferably with the ingredients listed). These can be taken directly to the Street Store each day from 9.00am.

 **FRIDAY IS ST PATRICK'S DAY**
LET'S HAVE A BIT OF FUN WITH IT
@ THE STREET STORE 

Easter Assembly

The end of Term 1 is fast approaching, and we are looking forward to the Easter Hat Parade assembly. We are very happy to be able to run our Easter Egg Hunt and a guessing competition on the day. The Easter Egg hunt will be run a little differently this year, but it is sure to be a blast for the kids!
We will ask for child numbers closer to the day.

Change of Meeting Day

At our last meeting, it was brought to our attention that the newly formed Uralla Central School P&C have set their meeting day as the first Monday of each month. Unfortunately this is in direct conflict with our meeting day. We are aware that there are a number of families who have students in each school, and who would like to be involved with both P&C's.

In an effort to encourage our members to be involved with discussions and brainstorming at our meetings, we would like to give our school families the opportunity to find a more suitable day to maximise their involvement in **our** school.

Our last meeting saw our membership rise to 15, including 5 new members. This was a fantastic result for a lot of hard work in encouraging parent involvement. We want to work with our members to build a strong and supportive school community, so we are prepared to look at all options to facilitate this.

We would encourage everyone to complete the questionnaire to be distributed soon (*yes it's another questionnaire, sorry*), and come along to our next meeting to discuss our options.

We would really like to work with you to find a better solution!
