Plan ahead to avoid long delays

We're building the Metro Tunnel and improving the public transport network so we can run more trains, more often. This will involve disruption to your journey so we'd like to help you plan ahead to avoid long delays.

As well as the disruptions on the Sandringham line, works are taking place on the Cranbourne, Pakenham and Frankston lines throughout April. Your regular services will be busier than usual on weekdays.

If you can, avoid peak times and travel before 7am or after 9am. Take advantage of the Early Bird fare. Touch on and off before 7.15am and your train travel is free.

AFL fans should allow extra time to get to the MCG in April, with a number of train lines not running to Richmond Station. The free tram zone will be extended to the MCG for affected games.

Plan ahead and allow more time if you're attending a show at the Melbourne International Comedy Festival.
