

## Magis Awards - Semester One, 2019

### Rory Hewson: Introduction at the Awards Breakfast

Rory: The John XXIII College Magis Gifted and Talented program has continued to develop considerably in 2019. New programs including the Julie Arliss Philosophy programme and Notre Dame’s Cultural Decoding have been added, five academic Seminar Breakfasts have been held, Internal John XXIII College competitions and challenges including Public Speaking, Academic Spelling, Mental Maths and Creative Writing have been held, and the College has competed in major WA Gifted and talented competitions including Da Vinci Decathlon at University of Western Australia, Creative edge Challenge at Curtin University, Western Australian Debating Schools’ competition at Christchurch and the World Scholar’s Cup Perth Round at Sacred Heart. We have had record numbers of John XXIII College teams in each of these, and some excellent results as you will see as awards are presented. There have also been over 20 teachers assisting with the Magis program, and we thank them for their dedicated service to our students.
