

BYOD USER AGREEMENT - STUDENT

Preshil's **Bring Your Own Device** program aims to improve student-learning experiences both in and out of the classroom. Preshil provides considerable freedom to students in their choice of technology and in their use of technology in the classroom. The school does so with the expectation that students will make good decisions with regard to their personal use of technology.

This Bring Your Own Device User Agreement must be read and signed before students are permitted to bring their device to school and connect it to school network facilities. Students and parents/carers must carefully read this Agreement prior to signing it. Any questions should be addressed to Year Level Coordinators and clarification obtained before this is signed.
