

Trivia Night

A TOUCH OF SPARKLE
FOR EVERYONE

Full Steam Ahead for the SFX Trivia Night

The Parents Association's night of nights for 2019, the SFX 2019 Trivia Night is fast approaching and is now just two weeks' away!

Funds raised are earmarked to go towards purchasing additional literacy resources for our students, as well as 3D coding robots and supporting the completion of the fit out of our wonderful new all-weather sports pitch that is currently under construction.

Excitement is Building!

Of course, the Trivia Night is not just about fundraising, it's also about us coming together as a community and having loads of fun! We are super excited to have Funky Bunch Entertainment running our Trivia Night. More akin to a high energy, multimedia entertainment show, they're going to run a slick, fast-paced show that is sure not to disappoint! For a preview of how it works, go to:

https://www.youtube.com/watch?time_continue=2&v=gaY8_5LKvvo

As well as the Trivia, we're going to have the ever-popular Heads and Tails and Nearest the Pin Games, as well as a variation on the worldwide quiz show phenomenon 'Who Wants to Be a Millionaire', where one lucky person will walk away with a cash jackpot!

New Prize

And we can further announce that one lucky person will also be going home with a little bit more sparkle with which they arrived by winning an absolutely stunning Sterling Silver Tennis Bracelet featuring 66 princess cut cubic zirconias valued at \$229 kindly supplied by Andrew Rose Bespoke Jewellery.

Its going to be a fabulously fun night jam packed with fun and entertainment but you simply have to be there to experience it. Tickets are still available at www.trybooking.com/BDAXO - get your friends together and secure your seats for what will be a truly memorable event!

Welcome to our New Sponsors

We are absolutely delighted that Catholic Ladies College have thrown their support behind SFX, the PA and our Trivia Night event, to become our latest Emerald sponsor. A huge thankyou to Stephanie Evans, Danetsa Konsky and all at CLC for coming on board.

We are also thrilled to welcome two more local businesses as Ruby sponsors, Wicks Automotive Technologies Eltham and Back in Motion Eltham/Montmorency. Thanks to Ryan Wicks and David Spithill (Back in Motion) for supporting our school not only through sponsorship but by also donating some of their services for our online silent auction.

Thanks also to our print sponsor Snap Printing Heidelberg and graphic design sponsor FC Business Solutions who have provided in-kind printing and graphic design support. I am sure you will agree that our event flyer and promotional materials present our school professionally and look great thanks to their efforts.

Please refer to our sponsors page for contact details of these businesses. You can also see profiles of our sponsors' businesses on our online silent auction website at:

Last, but by no means least, it's time to start thinking about what SPARKLY outfit you'll be kitted out in on Saturday 17th August... Who's going to unearth the old 80s Dallas style wardrobe? Perhaps it's a matter of reviving the kids dance costumes by adding an extra dash of something glitter or bling? Maybe it's just a matter of pulling something out of your closet. Whatever you turn up in, we won't hold it against you... There will definitely be some memorable photos taken at this years' night of nights!

Thanks for your ongoing support of our school and PA. Happy weekend all!
