

# FOUNDATION

## Literacy & Numeracy Update

In Literacy, students have been reading words containing long vowels. These have included /ai/, /ee/, /igh/ and /oa/. Students have been retelling fables and describing the moral of each story. Some of their favourites have been The Lion and the Mouse, The Dog and his Reflection and The Tortoise and the Hare.

In Numeracy, students have been exploring how to share a collection of objects into equal groups. They have also reviewed a range of number games that explore the parts of a whole number.

## Term 3 Break

Thank you to all of our Foundation families for their ongoing support. We hope you have a great holiday break filled with quality family time. We look forward to seeing students back for an exciting Term 4!
