Thursday, 14 September 2017

Dear School,

I wish to invite your students and teachers to enter a Students Team and a Teachers Team in the 2018 Mad Cow Mud Run. 2018 will be the 6th year that Mad Cow has run and is now owned and operated by Zaidee's Rainbow Foundation.

All funds raised in this event stay with Zaidee's to develop and run our many national programs and projects including our local and national schools educational program to help increase the organ and tissue donation rate for all Australians.

Entries opened on 1st September 2017, which is an early bird rate special for both children and adults. These rates change up every second month between now and March 2018.

Below is how the rates work; that each month as the event gets closer the price goes up. The reason for this is to offer an incentive to book in early so we as organisers can best develop the event for those that take part.

Can I suggest that the students/teachers dress in a theme or even in their school or house colours or even a rainbow theme for Zaidee – children over the aged 13 years and older can now run with their parents or teachers as part of the adults course.

The 2018 event will have many changes from the past 5 years. The age brackets have changed; the length of the course is now 6kms and 12kms to choose from, whilst 13 years and above are now able to run the adults course. We are adding new obstacles and the event will have a colour run for the children's course and possibly for the adults as well.

There will be more mud, more fun for all who will take part in the 2018 event.

To register please go to the website page and click registrations www.madcowmudrun.com.au

I look forward to your support.

Allan Turner
Chief Executive Officer
Zaidee's Proud Dad.
