# ***WANTED: VOLUNTEERS***

Now more than ever, many people need help with getting food on the table or to pay their bills on time. **The Breakfast to Dinner program wants to help!**

## **What is Breakfast To Dinner?**

- A new food security program
- Helps people make the most of every dollar
- Delivered by UCWB staff & local volunteers
- Cooking & talking about money

We are looking for volunteers to help deliver the program in **southern Adelaide**. As a volunteer you'll cook with community members and talk with them about budget friendly ideas. Before you volunteer we will help you understand more about the program and what volunteering involves at a FREE training session, held in June-July 2020 (dates to be confirmed).
