Established in 1965, Holy Spirit Primary School, City Beach, is celebrating over 50 years of education in the pursuit of Christian truth and excellence. 2017 not only marks over 50 years since the first bell rung at Holy Spirit but also sees the opening of the new refurbished classrooms as part of the Holy Spirit Improvement Plan.

On Saturday 2<sup>nd</sup> September, we are excited to be holding a special Fair on the grounds of Holy Spirit School beginning at 10.00am.

We see this Fair as an opportunity to celebrate our past and to inspire the future of our young students and the greater community. We are raising funds to contribute to the Creativity Centre, which is the second stage of our Holy Spirit Refurbishment Plan.

We are writing to various schools that historically have received many students from Holy Spirit to request support in the following three areas:

1. An opportunity to participate in our 'live music' on the day. We are setting up a stage to showcase the musical talents of our students and would love to extend this invitation to your school.
2. The use of student volunteers on the day to assist with various duties aligned with your school's community service requirements. This would involve the manning stalls, providing information to Fair attendees, set up and clean-up.
3. Promotion of the Fair in school your school newsletter. We are setting up a website and various other promotional channels and would be happy to discuss with you how you would like to provide any information to your school community to help us get the word out about the event.

The support and participation of schools such as yours that have a Holy Spirit alumni will assist to make this a successful and memorable event. If you can support us at our Spring Fair, could you please make contact with our Fair Coordinator.
