

New Program: Spelling Mastery

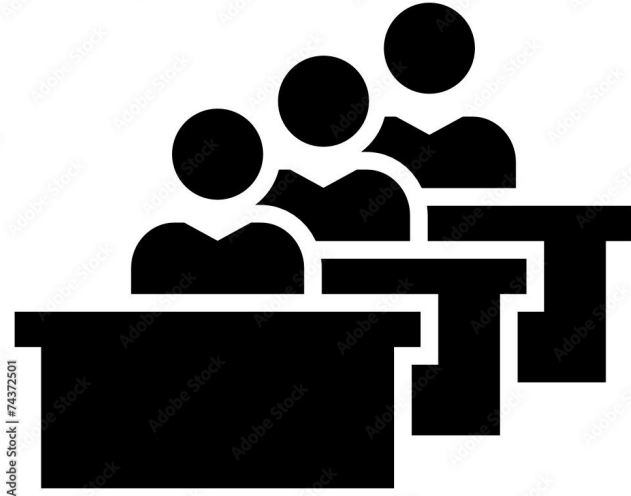

In week 4, we will be doing something new at school called **Spelling Mastery**. Spelling Mastery will help us become more confident and accurate spellers.

During Spelling Mastery, I will go to a **different classroom** and learn with a **different teacher and different classmates**. These are the spelling teachers:

There may be students from my year level or other year levels.
My new spelling teacher knows my spelling goals and is there
to help me.

In the morning, I will go to my normal class on the music. I will get a pen or a sharpened pencil/rubber and wait for the bell. When the bell goes the teacher will mark the roll and then I will go to my Spelling Mastery class.

9am

Spelling Mastery

or

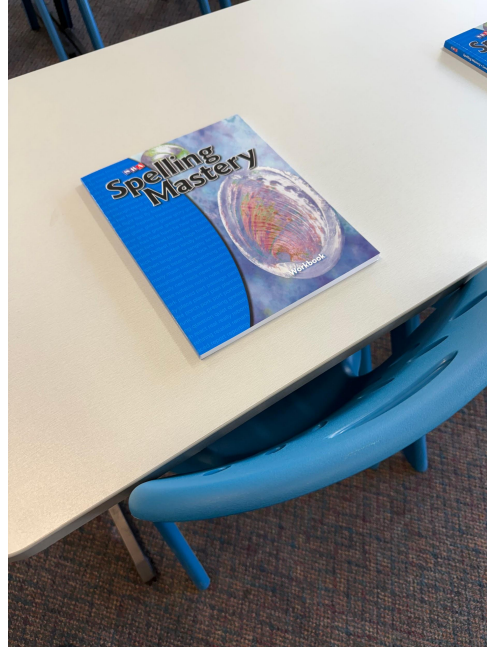

Aberfeldie
Primary School

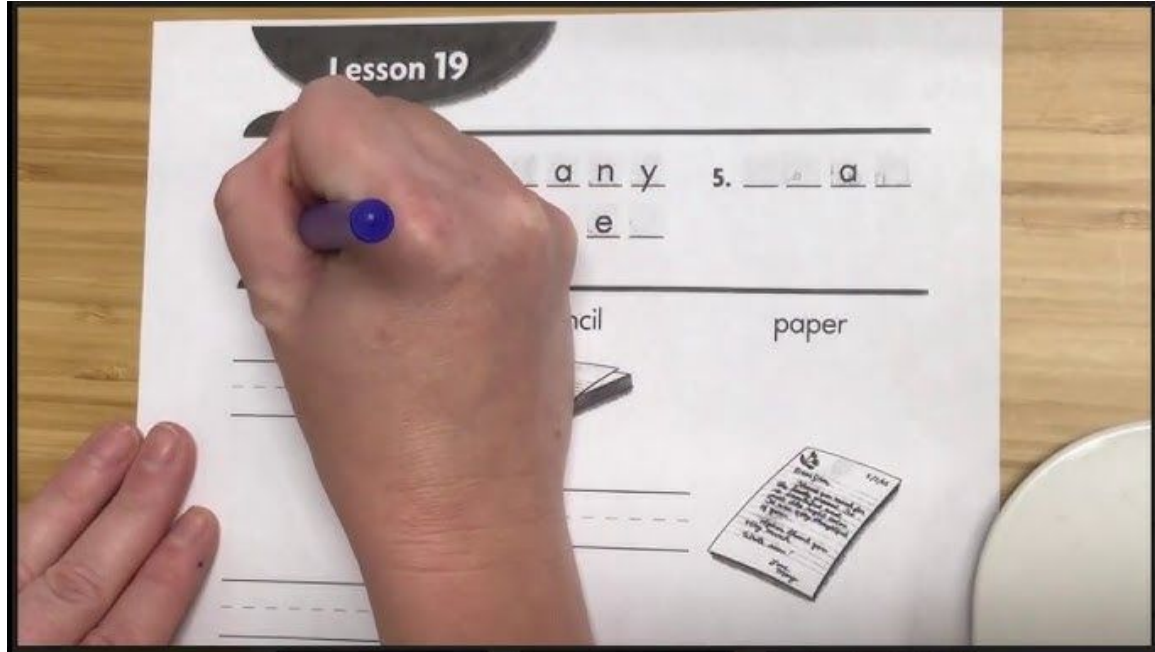

I walk to my class quietly and calmly. This means no talking in the hallways. Extra teachers and leadership will be in the hall to check that everyone is moving quietly.

When I get to my Spelling Mastery class, my book will be on the table. I find my book and sit at that spot. My teacher has chosen where I will sit.

My spelling teacher will teach me new spelling skills and I will practice in my book.

At the end of the lesson, I will walk back to my regular class quietly and calmly.

Spelling Mastery will become part of our normal routine each day in Years 3-6. If I feel unsure, I can ask a teacher for help.

Monday	 Spelling Mastery
Tuesday	 Spelling Mastery
Wednesday	 Spelling Mastery
Thursday	 Spelling Mastery
Friday	 Spelling Mastery
