WHAT'S BEEN HAPPENING

What an amazing Term 2 we have had so far!

Children have been participating in their chosen Clubs this term. During our EPIC Games Club, children are further developing their physical wellbeing and showing resilience through group games such as Dodgeball, Poison Ball & Run If. During our Cooking Club, the children are experiencing different types of food, measurements and teamwork while making yummy sushi, pizza and fruit muffins. Hama Bead Club is one of the children's favorites as it promotes creativity while focusing on the children's fine motor skills and patience. In Art Attack Club, the children have been given the opportunity to explore their creativity and imagination through painting, air dry clay and using natural resources.

Non-Arrival of Children

Just a reminder to all families that if your child is booked into a session at TeamKids, this means that TeamKids is responsible for the safety and whereabouts of your child. When the staff are unable to locate a child, we follow our Non-Arrival Process:

- School office is contacted to check if the child attended school
 - Primary contact on enrolment is then called
- If Staff are unable to contact primary contact or emergency contacts before 4pm, Emergency Services are called as this child is deemed missing.

To avoid this, please send a text message or call the service phone and advise them of the cancellation.

Thankyou for your cooperation.
