

## UCAT

### University Clinical Aptitude Test

The **University Clinical Aptitude Test (UCAT)** is an admissions test used by the UCAT ANZ Consortium of universities in Australia and New Zealand for their ***medical, dental, and clinical science*** degree programs. Universities requiring the UCAT are listed at this link - [Universities requiring the UCAT](#).

Students intending to apply for courses requiring the UCAT at any of these universities are reminded that they will need to **book a test** [here](#). Bookings will open on **1 March 2023** and close **17 May 2023**. [Concession scheme](#) and [Access Arrangements](#) applications open **1 February 2023** and need to be completed before booking your test. **The testing dates will be from 3 July 2023 to 12 August 2023. Find out more at [UCAT](#).**

Students who are preparing for entry into any of these courses are encouraged to familiarise themselves with the **format of the test** at [UCAT Test Format](#) and the [practice tests](#) and **preparation resources** provided at [UCAT Prepare](#).

### **iCanMed** Free Online Student Guide

Students considering studying *medicine* or *dentistry* are invited to access the [iCanMed](#) website for information about *where to study* medicine and dentistry, *what the entry requirements* might be, and all things related to the UCAT test required for most medicine courses. This is an excellent 'go to guide'.

### **MONASH** University

#### Why Study Medicine, Nursing and Health Sciences?

Why should students consider studying *medicine, nursing, or the health sciences* at Monash University?

The Faculty of Medicine, Nursing and Health Sciences at Monash University is one of Australia's largest providers of education for doctors, nurses, and allied health professionals.

Students might like to also browse [courses in medicine, nursing, and health sciences](#) at Monash University.

## Health Information Management

According to the Good Universities Guide\*, *Health Information Managers combine knowledge of healthcare processes, health records and administration, information management and human resource management to provide services that meet the medical, legal, ethical, and administrative requirements of the healthcare system.*

### **Duties & tasks of a Health Information Manager include -**

- planning and developing health information systems for various types of healthcare facilities, including computerised patient identification systems, coding and analysis of diseases and procedures, and the design of health record forms
- revising and testing the effectiveness of existing health information record services in hospitals and other healthcare facilities
- developing and implementing new policies and procedures for handling health information in accordance with professional ethics, institutional requirements, and relevant legislation, including the Freedom of Information Act
- controlling the transfer of relevant health service data to state health departments
- assisting with medical research and healthcare projects

**[\\*Good Universities Guide - Health Information Manager](#)**

The **La Trobe University** offers the [Bachelor of Health Information Management](#) that might interest some students. This degree prepares students for a career that combines the clinical and administrative/ management aspects of healthcare and digital health, with an emphasis on clinical classification, health data analytics, health informatics (including e-health) and management.

## **ADF GAP YEAR**

### **ADF GAP Year 2024**

The **ADF Gap Year** program provides an opportunity for young Australians, who have finished Year 12 (or equivalent) and are aged between 17 and 24, to experience military training and lifestyle whilst gaining new skills and pay over their Gap Year. The life skills and job training that students acquire during their Gap Year experience will be valuable regardless of what career they ultimately undertake. **Gap Year opportunities are available in the Navy, Army and Air Force.**

The GAP Year will commence in January/February 2024 and the jobs available are in the Navy, Army, and Air Force. Applications for 2024 open in March!

**To find out more information about the ADF Gap Year program please visit [ADF GAP YEAR](#).**

## **Career as an Intelligence & Policy Analyst**

The [Your Career](#) website states that *Intelligence and Policy Analysts collect and analyse information and data to produce intelligence and to develop and analyse policies guiding the design, implementation and modification of government and commercial operations and programs.*

The [Good Careers Guide](#) website states that *Policy Analysts develop and advise on policies that guide government and commercial departments and organisations.*

Some of the day-to-day tasks of include –

- organising, collecting, collating and analysing data, and developing intelligence information, such as electronic surveillance
- compiling and distributing intelligence information using briefings, maps, charts, reports and other methods
- liaising and consulting with program administrators and other interested parties to identify policy needs
- reviewing existing policies and legislation to identify anomalies and out-of-date provisions

To become an Intelligence and Policy Analyst, a student usually needs a bachelor degree in *intelligence operations, political science, international relations, or another related field* to work as an Intelligence or Policy Analyst. It is also quite common to complete postgraduate studies.

There are a number of universities in Victoria that offer courses, or majors within other courses, related to political science and international relations. Some of these include –

- [Bachelor of International Studies](#) at Deakin University
- [Bachelor of Global Studies](#) at La Trobe University
- [Bachelor of Politics, Philosophy and Economics](#) at La Trobe University
- [Bachelor of Politics, Philosophy and Economics](#) at Monash University
- [Bachelor of International Studies](#) at RMIT University
- [Bachelor of International Studies \(Development\)](#) at RMIT University
- [Bachelor of International Studies \(Global Security\)](#) at RMIT University
- [Bachelor of Arts](#) (majoring in [politics, power and technology](#)) at Swinburne University
- [Bachelor of Arts](#) (majoring in [politics and international studies](#)) at University of Melbourne
