### BBQ Volunteers

Thanks to those parents who helped out the Committee members at the BBQ on Sunday: David Massa, Vlado Gulevski, Leeanne Carr and Phil Parton. With so many parents attending the trials we would have hoped for more volunteers.

If you can spare 30-60 minutes we would really appreciate your assistance this Sunday. Please contact Peter Bleasdale - [footballclub@pandf.spx.nsw.edu.au](mailto:footballclub@pandf.spx.nsw.edu.au) to volunteer.

## WE NEED YOU!

The committee is also seeking football parents interested in joining the Football Committee in some capacity. A number of the committee members will end their association with the College this year and we want to ensure a smooth transition of the continuing support the Committee offers to the College Football community.

If we cannot form a committee then all the good work we have done over the years including specialist coaching, holiday camps, etc will cease to be provided. The effort required is a couple of hours a month and a bit of co-ordination and communication.

The committee AGM will be held in March.

Please email [footballclub@pandf.spx.nsw.edu.au](mailto:footballclub@pandf.spx.nsw.edu.au) if you are interested or want some more info – or just come along.
