Academy of Interactive Entertainment | Industry Experience Day Melbourne

Tuesday, 1 October 2019

10.00am - 2.30pm | Academy of Interactive Entertainment, Melbourne Campus

AIE's Industry Experience Days are a great opportunity for students in Years 10, 11 and 12 to learn about the local and international game development, 3D animation and visual effects industries. Students will get the opportunity to learn about the different pathways to get into the industry, what should be in a portfolio and will be able to get creative in practical workshops using industry-standard 3D animation and game development tools. The sessions are run by industry professionals who have worked on some blockbuster games and films. Everything is provided for you to participate in the hands-on workshops and you will be using the same software that is used in the industry. If you are thinking about a career in the games or film industry then we highly recommend registering for the free event.
