

Performing Arts Term 2 Outline

Grades 5 & 6

Students are hard at work preparing for their upcoming concert on Monday, 26th May. Once the concert is over, they'll dive into music theory, exploring key musical elements and developing their understanding of how music works.

Grade 4

This term, Grade 4 students are learning to play popular tunes on the recorder while also developing their music reading skills. As the term progresses, they'll begin preparing for their year level concert with the Grade 3s.

Grade 3

Grade 3 students are being introduced to the recorder, learning the basics such as notes, scales, and simple tunes. They too will start concert preparations later in the term.

Grade 2

This term, Grade 2 students are excited to explore Boomwhackers- a brand-new instrument at Holy Family! Playing Boomwhackers is a fun, energetic activity that builds rhythm and encourages teamwork.

Grade 1

Grade 1 students will be learning to play the Glockenspiel, focusing on basic scales and simple melodies. This hands-on experience helps build both coordination and musical confidence.

Prep

Our youngest musicians will be introduced to a variety of musical instruments while singing along to classic nursery rhymes. This playful approach helps develop their listening skills and love of music.
