

YOUNG EINSTEINS TUTORING SERVICES

ATAR MASTERCLASS

What is a masterclass?

- A **3 hour class**, led by experienced and passionate **90+ ATAR tutors**
- We go through the **Unit 3 content** you need to know for your exam, and show you **exactly how to achieve full marks!**
- The session will be a **mix of teaching & doing practice questions**, with tutors guiding you to make sure you are on the right track.
- Students work in **small groups** to guarantee a high quality of learning
- We **personalise our teaching and approaches** for every student, to maximise your exam results
- Every student receives a **Young Einsteins U3 Revision Workbook** (and Marking Key) containing common exam questions.
- We can answer **any questions** you have, and give you tips to perform **stronger** and feel **more confident** in passing with a high score

“ **15+ years experience** in tutoring young people ”

Year 12 Class Timetable:

Human Biology

10:00 AM to 1:00 PM

- Endocrine System, Nervous System, Homeostasis, Immune System, Science Inquiry, Science as a Human Endeavour

Apr

25
2026

Chemistry

2:00 PM to 5:00 PM

- Equilibrium, Acids and Bases, Redox Reactions, Chemical Synthesis, Science Inquiry, Science as a Human Endeavour

Apr

26
2026

Math Applications

10:00 AM to 1:00 PM

- Bivariate Data, Sequences (Growth & Decay), Paths, Cycles, Graphs and Networks

May

02
2026

Math Methods

2:00 PM to 5:00 PM

- Calculus, Discrete Random Variables, Continuous Random Variables, Sampling Proportion

May

03
2026
