Lessons

This is the heart of the program, the Math lessons. Students progress through lessons as their math skills increase, earning golden acorns and pets as rewards!

Treehouse

Each student can visit their Treehouse and find rewards earned or items bought from the shop. Students use these items to decorate their Treehouse.

Shop

Students can buy items from the shop using their golden acorns earned by completing lessons. These items can be used to decorate their Treehouse.

Arcade

Students can reward themselves by playing an arcade game. Each game cost 10 acorns

Driving Tests

Playroom

The playroom consists of seven sections with more than 120 activities. Students can access the playroom at any time simply by clicking on the Playroom icon.

My Awards

This is where the student certificates are located. Students can print their certificates to take home or display in the classroom.

My Avatar

Students can create their own unique avatar as they redeem golden acorns as a result of their hard work!

Driving Tests

More than 340 highly motivating tests assess students' skills and knowledge with a fun reward game!
