## Speakers

### Sydney Drug and Education Counselling Centre (SDECC)

SDECC is a not-for-profit organisation providing alcohol and drug counselling services, across the Sydney North area. SDECC specialises in supporting young people aged 12-25 and their families.

### The Matilda Centre

The Matilda Centre for Research in Mental Health and Substance Use is a multidisciplinary research centre committed to improving the health and wellbeing of people affected by co-occurring substance use and mental disorders.
