UAC

UAC - Career mapping: where to after school?

Many students are uncertain about their next steps after Year 12. But – as Phillip Williamson, Head Teacher Careers for the NSW Government’s Educational Pathways Program, writes – it’s vital to go easy on yourself, self-reflect and do your research. Here are Williamson's practical tips for starting your career journey. The most important thing, he advises, is to focus on your direction, not your destination.

<https://www.uac.edu.au/media-centre/news/career-mapping-where-to-after-school>

UAC - Studying medicine: application tips and what to expect

Fifth year student, Josh Lowinger, gives his experience applying for and studying medicine at university. Read about his experience as well as some tips for Year 12 applicants.

<https://www.uac.edu.au/media-centre/news/studying-medicine>

University - Institutes

UOW Open Day - Liverpool

27 July

Did your plans to attend UOW Wollongong Open Day fall through?

Then be sure to check out UOW Liverpool Open Day on Saturday, 27 July at our campus located at 33 Moore Street.

Explore the Liverpool campus and chat with experts about courses at all UOW campuses.

<https://www.uow.edu.au/openday/>

Upcoming Western Sydney University Discover Western Webinars

30 July - Scholarships

Our Scholarships webinar will take you through our range of scholarships on offer, how to apply and what to include in your Personal Statement.

6 August - Uni 101

Our Uni 101 webinar will give you all the info you need to understand University. What's the difference between high school and uni? What's a Major? How many days per week will I need to be on campus? We answer all these questions and more.

3 September - Applying to Western and Receiving an Early Offer

Hear from Western staff and current students about our HSC True Reward Early Offer program, how to accept your early offer and change preferences, other alternate entry programs and more.

<https://www.westernsydney.edu.au/future/student-life/events/western-webinars>

Western Sydney University - Unlock Careers in Humanities and Creative Industries - Aboriginal and Torres Strait Islander Student Experience Day

6 September

This on campus event for Aboriginal and Torres Strait Islander High School students in years 9-12, raises knowledge and aspiration for Careers in Humanities and Creative Industries.

Students will participate in their choice of practical workshops, a Q&A Yarn Up with Indigenous industry professionals to gain insights into their work, education journey and careers.

https://wsustudents.au1.qualtrics.com/jfe/form/SV_01TVPO8TXSIDK6O

Western Sydney University - HSC True Reward Early Offer

Applications for Round 1 Close 4 September

Our HSC True Reward early offer program will give school leavers much needed peace of mind, providing students with an early offer into most university degrees based on their Year 11* or Year 12 results.

HSC True Reward was first launched in 2017, providing students with an early offer into Western based on HSC results, instead of a scaled ATAR, following analysis showing subject performance is a reliable indicator of student success.

<https://www.westernsydney.edu.au/future/study/application-pathways/hsc-true-reward>

Western Sydney University - Aboriginal and Torres Strait Islander Pathway Program - Upcoming Assessment Dates

8 and 9 August (Online)

12 and 13 August (Kingswood Campus)

15 and 16 August (Campbelltown Campus)

19 and 20 August (Online)

The Aboriginal and Torres Strait Islander Pathway Entry Program is an alternative University Entry Program for Aboriginal and Torres Strait Islander people.

Applicants can gain entry to any undergraduate degree* at Western Sydney University by completing our entry assessment and be supported throughout your education journey.

To gain entry to your dream degree, you are required to complete an Entry Assessment. The entry assessment includes a short essay and comprehension task. If your preferred degree requires numeracy, you will also be required to complete a short numeracy assessment. We provide you with access to online resources and practice tests, to help you get prepared.

<https://www.westernsydney.edu.au/future/study/application-pathways/aboriginal-and-torres-strait-islander-pathway-program>

University of Sydney - Scholarships at Sydney Webinar

18 September

At the University of Sydney, we offer over \$135 million worth of scholarships every year. We're dedicated to supporting you throughout your time at university and offer a variety of scholarships for domestic undergraduate students. To make the process easier and more accessible, we've created a centralised form where you can be considered for a scholarship through one simple application.

Additionally, some of our scholarships require no application at all! In this webinar you will learn about the scholarships we offer, find out about your eligibility, get tips on writing a strong scholarship application and have your questions answered by our team.

https://uni-sydney.zoom.us/webinar/register/WN_0nzjnhL5QFydwRt8Reyugg

University of Sydney Gadigal Program - Early Offer Applications Closing Soon

Close 9 August

The Gadigal Program is our Indigenous student pathway that supports Aboriginal and Torres Strait Islander students to study at the University of Sydney.

Through the Gadigal Program you will have:

- the opportunity to apply for a Gadigal early conditional offer
- lower minimum ATAR requirements
- access to an academic skills program before commencing University
- ongoing academic and personal support throughout your degree.
- up to \$5,000 global mobility award for eligible exchange programs.

Year 12 and post-high school applicants are eligible to apply.

<https://www.sydney.edu.au/study/applying/admission-pathways/aboriginal-and-torres-strait-islander-pathways.html>

Guaranteed Entry Requirements at the University of Sydney

Select your UAC preferences with confidence

Find out what selection rank you need to guaranteed entry to your dream course.

Guaranteed Entry gives you a confirmed place in an eligible degree if you achieve the required selection rank and meet any other admissions criteria.

Your selection rank is your ATAR plus any adjustment factors you receive through our admission pathways.

<https://www.sydney.edu.au/study/applying/how-to-apply/undergraduate/guaranteed-entry.html>

St Andrews College Scholars Award

Closes 18 August

The St Andrew's Scholars program seeks to support our future leaders by awarding up to three scholarships each year. The Scholarships will provide financial support of full fee-relief and will be awarded for a maximum of 3 years.

The Scholars will be exceptional young men and women who will thrive academically, are 'engaged in life' and have the potential to make a significant positive contribution to College and, in the future, the wider community.

<https://www.standrewscollege.edu.au/scholarships-3/>

St Andrews College Creative Arts Scholarships

Closes 26 August

The College offers a variety of creative arts scholarships. Students are obligated to complete, or participate in, activities related to their scholarship in order to fulfil the requirements. Scholarships available are:

- Choral Scholarship
- Instrumental Scholarship
- Keyboard Accompanist Scholarship
- Convenor of Choral Music
- Convenor of Chamber Music Scholarship
- Convenor of Jazz and Contemporary Music Scholarship
- Scott West Organ Scholarship
- Piping Scholarship
- Cultural Project Scholarship (for Dance/Drama/Visual Arts/Debating/Public Speaking)
- Major Residential Music Scholarship for Exceptional Music Students

<https://www.standrewscollege.edu.au/scholarships-3/>

The Womens College (inside University of Sydney) - Open Day 20204

31 August

Meet our staff and students and take a tour of College. Hear from Principal Dr Tiffany Donnelly at 11am and at 2pm and enjoy some light refreshments. Learn about our student support including academic and tutorial assistance, mentor program, internships and leadership programs. Tours will be running throughout the day.

<https://www.thewomenscollege.com.au/event-detail/open-day-2024/>

University of Sydney ARTiculate - Visual Arts - Us & Them: Expanded forms of portraiture

20 August

Join Sydney College of the Arts artists/academics Salote Tawale and John Tonkin as they take us on a journey of contemporary art making in the context of video, installation, painting and sculpture. Delving into the subjective, the structural and the cultural, they will investigate case studies of artists from the Asia-Pacific Region in relation to their own creative practices. This presentation will include a discussion of artworks, artists and audiences within the broader context of art history and criticism.

https://uni-sydney.zoom.us/webinar/register/7617217176806/WN_annFs_5cRKOCxXfEKguY8Q

University of Sydney Year 11 Regional Residential

Applications Close 8 August

30 September - 4 October

Open to Domestic Year 11 ATAR students from regional and remote areas, this on-campus residential during the October school holidays allows students to explore our campus, meet current students and staff, explore study options, learn about our entry schemes and pathways and experience university life. The university will arrange and cover the cost of travel, accommodation, food and all experiences for successful applicants.

https://sydney.au1.qualtrics.com/jfe/form/SV_4Ufima2OMee8XDE

University of Sydney Accommodation Exploration Webinar

25 July

Are you considering moving to Sydney, or staying in accommodation on campus when you study with us? Join us at our upcoming webinar to learn about the accommodation options for domestic students on and around campus. In this webinar, we will cover accommodation options from university-owned residences, colleges, to private providers, and explore private options outside the University. Discover features and facilities, costs, and scholarships, how and when to apply, plus all the fun stuff you can expect living on and around campus.

https://uni-sydney.zoom.us/webinar/register/6817182656399/WN_gwZdt7TgQVaiLz1qXcNnHQ

Reminder - UTS's Bachelor of Information Technology Co-operative Scholarship

Applications Close 8 September

The Bachelor of IT Co-operative Scholarship is a three-year IT course. It's a fast-track course that's been designed to mentor the next generation of IT and business leaders. It's about building your tech and business skills in equal measure. Capitalising on your leadership potential. Growing your innovation mindset. Above all, it's about shaping you to become a business-savvy, work-ready, IT management professional who's ready to make your mark.

The BIT is a highly competitive course – it's been designed with future leaders in mind. To get in, you'll need to demonstrate how you stand out from the crowd.

Successful students generally achieve a Selection Rank of 88–99.95; however, your ATAR is just one component of your application.

The interview is your chance to show us your passion for technology. We also want to see your communication and interpersonal skills and your desire to be a leader in your field. We balance our selection criteria against one another. So if you've got a lower ATAR (say, 85 or 86), wow us in the interview and you could still be in with a chance.

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/bachelor-information-technology-co-operative-scholarship>

Undergraduate Physics Scholarships at Australian National University

Scholarships and grants are provided to assist students with the cost of their studies.

Scholarships vary in value and may be offered to cover some or all of the costs associated with tuition, accommodation, materials, cost of living and other expenses. The Conditions of Award for each scholarship stipulates what the scholarship may be used for.

The complete list of scholarships available to ANU undergraduate students is available on the central ANU website.

In addition to the centrally listed scholarships, the following scholarships may specifically be of interest to physics undergraduate students:

- Wanda Henry Scholarship in Photonics
- Ben Williams student support grant
- Love Scholarship
- Science Olympiad Scholarship

<https://physics.anu.edu.au/study/scholarships/>

ACU Webinar - Speech Pathology and Occupational Therapy in Canberra webinar

31 July

We're bringing speech pathology and occupational therapy courses to our Canberra Campus, and this is your chance to find out what's in store. Hear from our panellists Jane McCormack, Head of Discipline (Speech Pathology), and Loretta Sheppard, Head of Discipline (Occupational Therapy), about what exciting opportunities you will get to experience both inside and outside the classroom. This online panel discussion will be followed by a Q&A session so you can get all your questions answered.

<https://www.acu.edu.au/about-acu/events/2024/july/speech-pathology-and-occupational-therapy-in-canberra-webinar>

Charles Sturt University - Transgrid Civil Engineering Scholarship

Applications Close September 2024

Charles Sturt University has partnered with transmission network leader Transgrid to develop the new Transgrid Civil Engineering Scholarship Fund.

The new Transgrid Scholarship Fund will support 100 Charles Sturt engineering students over a four-year period and will supply them with \$20,000 each to put towards the cost of their study.

The \$2 million-dollar multi-focused scholarship is open for ALL commencing students undertaking a Bachelor of Engineering (Civil) (Honours) or a Bachelor of Technology (Civil) / Master of Engineering (Civil) at Charles Sturt.

<https://www.csu.edu.au/engineering/transgrid-scholarship>

University of Newcastle - Ma & Morley Scholarship Program

Closes 30 September

The Ma & Morley Scholarship Program is a transformative experience offered to students of the University of Newcastle who want to change the world.

This revolutionary scholarship program was born to honour the life-changing and enduring friendship between the successful Chinese entrepreneur Jack Ma and respected Novocastrian Ken Morley.

The program aims to inspire, educate and cultivate the next generation of globally aware and socially conscious Australian leaders and is only made possible by a generous US\$20 million philanthropic commitment by the Jack Ma Foundation.

<https://www.newcastle.edu.au/scholarships/ma-and-morley-scholarship-program>

Uni of Newcastle Yr 12 Subject Spotlight - Early Offer Program

We believe that your ATAR doesn't define who you are – it is your unique passions, abilities and ambitions that matter.

Our Year 12 Subject Spotlight program rewards you with an offer for your hard work and strong results in English (Standard or Advanced) plus at least one HSC subject related to your degree. There is no separate applications for this program – simply apply via UAC and we will do the rest.

<https://www.newcastle.edu.au/study/undergraduate/getting-in/entry-schemes/subject-performance-scheme>

University of Newcastle – Joint Medical Program (JMP)

Applications Close 30 September

To apply to the Joint Medical Program in 2025, you must complete the following three steps. Our Joint Medical Program is world-class and entry is competitive. Each year, 170 places are available in the program across both the University of Newcastle and the University of New England; more than 3,000 people apply for those spaces. Your application will go through a rigorous selection process. If your application isn't successful, we encourage you to apply again the following year or to consider one of the many alternative degrees offered by the University of Newcastle or the University of New England.

<https://www.newcastle.edu.au/joint-medical-program/how-to-apply>

Notre Dame Parent and Student Information Session Oran Park

30 July

Join us for a Parent and Student Information Session at our Oran Park Student Support Centre. This session will introduce you to Notre Dame's innovative UniPath program and provide key updates on new programs, pathways, and priorities for 2025. Discover how Notre Dame can help you achieve your academic and career aspirations.

https://events.nd.edu.au/Careers_Advisers_and_Principals_Information_Session

UNSW Parents Information Evening

1 August

Support your child on their journey to uni.

The Parents' Info Evening is an event for parents and caregivers where you'll be empowered to guide your child as they navigate the high school to uni transition:

<https://www.eventbrite.com.au/e/unsw-parents-information-evening-2024-tickets-929473188327>

UNSW School of Photovoltaic and Renewable Energy Engineering Work Experience Week

14-18 October

Applications now open

The School of Photovoltaic and Renewable Energy Engineering is thrilled to deliver Work Experience Week.

Perfect for students passionate about renewable and solar energy engineering, this program offers a glimpse into uni life and career paths

https://unsw.au1.qualtrics.com/jfe/form/SV_8kpQi91DBTbFaVE?RSID=unswProd&cid=edm%3Aacs_prod%3AFSRNUR_EDUCATORS_2024%3AFSRNUR_EDUCATORS_JUL24%3AB1B97537-0CD6-EE11-904D-000D3A79B82B&utm_campaign=nurture&utm_medium=email&utm_source=adobecampaign&utm_content=FSRNUR_EDUCATORS_JUL24&utm_residency=Domestic&utm_facultyofinterest=&utm_prospecttype=N%2FA&utm_countryofresidence=&utm_yearhsc=&deliveryName=FSRNUR_EDUCATORS_JUL24

University - General

Commonwealth Prac Payment

The Commonwealth Prac Payment offers nursing, teaching and social work students support while they're undertaking mandatory placements.

The Australian Government will establish a new Commonwealth Prac Payment (CPP) for students to help them manage the costs associated with undertaking a mandatory placement (also known as a practicum) as part of a higher education course in teaching, nursing and midwifery, and social work; and nursing in vocational education and training (VET) courses.

Find out more at the link below.

<https://www.education.gov.au/higher-education/commonwealth-prac-payment>

Elevate Scholarships - Women in STEM

Closes 29 August

ATSE's Elevate: Boosting women in STEM program will award up to 500 undergraduate and postgraduate scholarships to women and non-binary people in STEM. Elevate aims to address gender inequities in STEM through fostering more women and non-binary led industry-academia collaborations in applied research and business, growing professional skills of women in STEM and propelling women and non-binary people into leadership.

The Elevate program provides:

- A scholarship
- Access to events and networking
- Mentoring
- Wellbeing support during scholars' university studies

Elevate scholarships are awarded across three categories - - Undergraduate, Postgraduate Research and Leadership. The program is funded by the Department of Industry, Science and Resources and the Department of Defence. A network of partner organisations from across industry and academia support program delivery.

<https://www.atse.org.au/what-we-do/pathways-into-through-stem/elevate/>

AIQS Quantity Surveyors Donald Napier Scholarship - Apply Now

Applications Now Open, closes 31 October

AIQS offers a number of scholarships each year for Year 12 students who qualify for entry into a Quantity Surveying, Construction Economics, Construction Management (Economics) or other appropriate course at an AIQS accredited program in Australia.

There are four scholarships offered each year

- General (open to all people)
- First Nations people (Aboriginal or Torres Strait Islander)
- Disadvantaged (financial, carer, medical condition or disability, regional or remote)
- Diversity (including but not limited to race, ethnicity, gender, gender identity, age, religion, marital status, language)

The value of the scholarship is AU\$5,000

<https://www.aiqs.com.au/scholarships>

Student Life in the Tertiary World

Choosing what to study and where to study is really just the tip of the iceberg. Once you've finally made the big decision and turned up for your first day, student life is everything that follows.

Your time as a student is a whole lot more than just showing up to class and displaying a diploma on your wall. Rather, it's about the complete picture and what you get out of your experience, including minor ups and downs and the general challenges that come with taking time out to complete post-compulsory education. This section covers everything you need to know about life as a student but probably haven't even thought about yet, from student services and how to use them to helpful hints for when you begin job hunting.

<https://www.gooduniversitiesguide.com.au/study-information/student-life>

Choosi Futures Grant Program

Closes 31 October

The value of this grant is AUD \$5,000 and is paid as a lump-sum payment to the winner.

Choosi is passionate about helping to make a healthier Australia and as part of this commitment, we developed the annual Choosi Futures Grant Program – a financial assistance of \$5,000 that's offered to one lucky student enrolled in a full-time, accredited Australian education institution studying a certificate, diploma, degree, or traineeship in any of the following areas: Medicine, Health Sciences & Healthcare, and/or Specialist Healthcare.

<https://www.choosi.com.au/grants/futures-grant>

Bond University Ideas Camp

7 August

Whether you have a business idea that will set the world on fire, or if you want to blaze your own trail despite being unsure of your career path, then get ready to unleash your inner entrepreneur!

Ideas Camp is a hands-on, one-day business workshop designed exclusively for our next gen corporate adventurers. Join us and as we bring together some successful young entrepreneurs and current Bondies to stir the embers of your business dreams.

TAFE

Sydney Trains Apprentice 2025 Intake

Closes 11 August

We're looking for people to join our apprenticeships in the following trade disciplines:

- Cable Joiner – You'll be trained to carry out maintenance, emergency repair and construction of our electrical cable network to ensure a safe and reliable network for our customers.
- Heavy Plant (Plant Mechanic) – You'll be trained to carry out various plant maintenance activities on mobile and stationary plant equipment. You'll obtain high risk work licences to operate this machinery.
- Fleet – Electrical (Rail Maintainer) – You'll be trained to diagnose electrical faults and complete repairs and carry out routine scheduled maintenance of our trains.
- Fleet – Mechanical (Rail Maintainer) – You'll be trained to diagnose mechanical faults and complete repairs and carry out routine scheduled maintenance of our trains.
- Rail Traction (Overhead Power Lines) – You'll be trained to carry out routine maintenance and construction of the electrical 1500Vdc and high and low voltage aerial lines. You need to feel at home at heights and driving large vehicles and plant.
- Signal Electrical – You'll be trained to carry out regular routine maintenance and repairs, reconstruction, and installation of signals asset. You'll assist our Signalling Teams to deliver a range of construction, engineering, and maintenance services.
- Signal Fitter – You'll be trained to carry out the installation, maintenance, and repair of mechanical signalling equipment.
- Substations – You'll be trained to install and maintain electrical equipment in and around our high voltage rail substations.
- Telecommunications (Operational Technology) – You'll be trained to carry out work with complex communications, control systems and emerging technologies.

ICMS Early Entry Interviews

7 September

Early Entry is an Alternate Entry Pathway designed for high-achieving HSC students who want to secure a place at ICMS in February 2025, before sitting their final exams.

Come and meet us in person at our "Castle Campus" in Manly, overlooking the beach. You'll do your interview, and then have a chance to explore our beautiful campus grounds. Maybe head off to the beach afterwards!

At ICMS we pride ourselves on our personal approach to the admissions process. At ICMS you are more than your ATAR. Our smaller campus means we are able to offer a unique student experience – it also means that we have limited places available for all our intakes.

Careers In Shipping

The shipping industry plays a vital role in international trade and in the economic progress of most countries. Because of its international involvement and operations it is different in many respects from other industries. Because of this it offers interesting and diverse career opportunities.

Shipping operates in a keenly competitive international market and as the growth in international trade increases and ships to carry the trade are in greater demand, career prospects also improve.

Employment opportunities arise for bright young people with or without their higher school certificate or university degrees. On-the-job training is available for everyone to learn about the shipping industry. Positions also become available for graduates or those who already have professional qualifications. The shipping industry attracts a wide range of disciplines including accounting, IT, customer service, marketing, logistics and international business. In more specialised sectors of the industry, ship chartering and broking skills are often in demand.

Future Doctors Australia - A 4 Day Program for ages 14 to 18

Register now for April next year (17-20 April)

Gaining medical work experience is essential for young people considering a medical career. It provides insight into the field, helps develop skills and attributes, and provides networking opportunities. However, obtaining medical work experience can be challenging due to various restrictions such as limited opportunities, safety concerns, and confidentiality issues.

That's why NIE has developed the "Future Doctors Australia" program. This engaging and high-impact 4-day program provides young people with a unique opportunity to gain medical work experience in a safe and structured environment. Participants will have the opportunity to spend time with current junior and senior medical students. They will also have the rare opportunity to spend time with more senior clinicians and various medical specialists. You will learn about clinical specialist's relevant fields of work, ask them questions, and learn some hands-on skills from them.

Dr Karl National Science Week Q and A

13 August

As we celebrate National Science Week we are kicking off the newly formatted STEM 2024 professional learning series with Dr Karl Kruszelnicki. This year's National Science Week theme is "Species Survival – More Than Just Sustainability", so get your questions about threatened species, habitats and all manner of living things ready for Dr Karl!

This live and free event is the chance for students to ask Dr Karl the questions they have always wondered about. Dr Karl encourages curiosity and all questions from attendees are welcome!

Girls Day Out in STEM: Imagineering Adventure!

10 August

Get your imaginations ready to join us on our Imagineering Adventure!

This National Science Week 2024 sign up for the best metaverse adventure in cyberspace to discover so much more than just sustainability. Take the hero's path to enter our Imagineer-verse where you get to be the imagineer for a better world!

In the news:

The theme this year is Species survival: more than sustainability. As usual we have our own GDOS unique take on that message. Our thinking is that the greatest impact on any species in the world, plant or animal, (including the human species), is US!!

Powerhouse Museum Castle Hill Science Day

Hands-on science fun for all ages at Powerhouse Castle Hill.

<https://powerhouse.com.au/program/castle-hill-science-day>

Passport to Space Lecture - Powerhouse National Science Week

15 August

Indian space entrepreneur and habitat designer Dr Susmita Mohanty joins Lebanese remote sensing scientist Dr Maya Nasr in conversation to discuss their shared vision for space exploration. Drawing on their experiences — from Nasr launching the Humanity United with MIT Art and Nanotechnology in Space (HUMANS) record of community messages to the International Space Station, to Mohanty's role championing India's cutting-edge space industry — the duo will examine the barriers they have overcome to ensure improved representation and diversity to create an industry that is open to all.
