

# ROCKY RIVER PUBLIC SCHOOL P&C

c/o Rocky River Public School  
354 Thunderbolt's Way, ROCKY RIVER NSW 2358  
rockyriverpandc@gmail.com | (02) 6778 4122

Thank you...

Last year we were completely blown away by the support of our local community and the Regional Australia Bank when our partnership provided a financial benefit of \$1613.

This year, you will have to pick us up off the floor. Through the support of the community, we have been rewarded with a contribution of \$2709!

We sincerely thank the Regional Australia Bank for providing this opportunity, and the community who have chosen to support the Rocky River P&C.

This is a fantastic initiative of the RAB, providing much needed passive financial support for community groups such as our P&C, which is invested directly back into our School to support our students.

*Regional Australia Bank's Community Partnership Program is people powered - the more people that participate, the more donations local community organisations will continue to receive.*

*It works by calculating a member's average annual balance and Regional Australia Bank donates the equivalent of 1.00% of supporter accounts, and 0.70% of support accounts owned by the community partner, back to a chosen group each year.*
